This week in Year 3

Monday 17th March 2025

English: This week we will finish planning our report on William Shakespeare and then begin to write it.

Maths: We will be looking at how we can estimate our addition and subtraction answers as we did not have time to cover this area last week. Later in the week, we will be using more statistics to collect our data and represent them in different types of charts.

Homework:

The homework sent out on Friday consisted of a Maths worksheet on complements to 100 and column addition and subtraction along with a Science Activity. This homework should be handed in on **Wednesday 26th March**. If, due to exceptional circumstances, this homework is likely to be late, please let us know as soon as possible. Ten minutes reading and 5-10 minutes times tables and number bond practice should also form part of your child's daily routine.

Spellings:

In the test on **Wednesday 19th March most children** will be tested on words with the er, ed, ing suffix where the root word has more than one syllable and the last syllable is unstressed. We just add the suffix: gardener, gardening, limited, limiting, offering, offered, benefited, benefiting, focused, focusing.

New spellings will be sent out after the test. These will be words with the er, ed, ing en suffix where the root word has more than one syllable and the last syllable is stressed. We then double the final consonant before adding the suffix: forgetting, forgotten, beginning, beginner, preferred, preferring, occurred, occurring, forbidden, committed. The new words will be tested on **Wednesday 26th March**.

Other Matters:

- This week is the last swimming lesson. Please remember your child's swimming costume, hat and towel. Many thanks to our parent helpers especially Ms Aslan and Ms Ternyak who have helped most weeks.
- We will be baking bread on the next two Wednesdays. Please remember to send your child in with a clean named apron or oversized T-shirt.
