This week in Year 3

Monday 20th January 2025

English: We will be planning and writing a letter to an inspirational person this week.

Maths: We will begin to learn formal column addition and subtraction starting with 3-digit numbers that require no exchanges so that we can become familiar with the layout and approach. Later in the week, we will be looking at horizontal, vertical, perpendicular and parallel lines.

Homework:

Homework will be sent home this Friday and will consist of an English activity and maths worksheet on column addition. The homework should be handed in on **Wednesday 29nd January**. If, due to exceptional circumstances, the homework is likely to be late, please let us know as soon as possible. Ten minutes reading and 5-10 minutes times tables and number bond practice should also form part of your child's daily routine.

Spellings:

In the test on **Wednesday 22nd January** most children will be tested on words with the suffix 'ly', specifically words where the ly ending can be added with no change to the root word: loudly, smoothly, quickly, quietly, roughly, kindly, bravely, secretly, safely, rudely plus the words 'South America' New spellings will be sent out after the test. The new words will be words with the suffix 'ly' - specifically for root words ending le where this ending needs to be dropped to add the ly ending: gently, simply, horribly, terribly, possibly, probably, incredibly, wobbly, humbly, comfortably plus the words 'Yours sincerely'. The new words will be tested on **Wednesday 29th January**.

Other Matters:

- In our art lessons we are working on collage and urgently need contributions of old magazines and newspapers (appropriate contributions). If you can help, we would be extremely grateful.
- Please remember that we start swimming lessons on Wednesday.
