This week in Year 3

Monday 29th June 2026

English:

In English, we are continuing to look at adverts and the language used to persuade and engage the reader or listener.

Maths:

In Maths, we will continue our unit about 'Time'. Please have conversations with your child about Time in particular; different types of clocks (analogue and digit), recognising the difference between the hour hand and minute hand on an analogue clock. Use analogue clocks to ask what the time is or what time will it be in ... minutes. We are comparing digital and analogue clocks this week and discussing am and pm.

Homework:

READING: We ask that at least ten minutes every day (5 times at least) is spent reading your child's **school colour band book** which then needs to be written in and **signed by a parent in their reading diary**. The children will read a leisure book (from the library) in school or at home but must have their reading book and diary in school every day. The children are allowed to change their own reading book when needed, however it must have been **read at home and signed by an adult**. Golden points will be rewarded for schoolbooks only. You do not need to record any other reading in their diary except their schoolbook.

MATHS: 5-10 minutes times tables and number bond practice using TTRockstars and Numbots every day (3 times at least).

SPELLING: These will continue as usual and will be sent home on Mondays and tested the following Monday.

Spellings: This week the focus is to identify and use words ending in the /g/ sound spelt gue and the /k/ sound spelt que: **league, plague, dialogue, vague, fatigue, unique, antique, mosque, plaque, technique** (*statutory words)

They will be tested on this list of words on **Monday 7th July**. Children in our class are given different spellings so if they lose their list, please ask an adult from the Yr 3 team and we will happily provide you with a new list.

Other Matters:

- PE this half term is on a **Wednesday and Friday**.
- Our Year 3 Earthquakes and Volcanoes interactive workshop has been rescheduled for Tuesday (30th June). Thank you to all those who have paid. Any outstanding payments can be made on Scopay.
- We have our end of year Pbone concert on Friday 10th July at 9:15am. Parents are invited to come and watch how much the children have learnt this year and enjoy listening to them play. The concert will last around 20minutes and will be the last of our Pbone lessons.
