This week in Year 4

Monday 8th June

English:

This week in English the children will be continuing their unit on Poetry. They will be looking at the different features of poetry and planning their own poem. The children will continue to rehearse our end of year production, 'A Funny Thing Happened on the Way to Camelot'.

Maths:

This week, we start our new unit on money. The children are introduced to decimal notation. The focus of the step is the ability to write a given amount in decimal notation and to represent amounts that are given in decimal notation. They will then move from reading and writing money using decimal notation to converting between different types of notations and between different units of money.

Home Learning:

Spellings:

The children will bring home their spellings on **Wednesday 10th June**. The focus this week: To identify and use words with the prefix sub and super. The children will be tested on **Monday 15th June**.

Reading:

Please ensure your child is reading to an adult **daily** and they are being questioned about what they have read. Please record their reading in their reading record book. The children can change their books regularly if an adult has recorded in the book that they have read and finished the book. Children need to bring their reading book and reading record in to school every day.

Times Tables:

This week the children will be sitting their Multiplication Tables Check. They have all worked so hard on learning their tables this year and I am very proud of them.

This weekend keeping working on your times tables – you can access Times Table Rock Stars, or you may also want to use [Multiplication Tables Check - Mathsframe](#) or [Times tables games - Learn them all here!](#) They can also use [The Maths Factor Times Tables Check - Start](#) to practise.

Year 4 production – We have started rehearsals for our Year 4 production so please support them with helping them to learn their lines. The children also have the songs for the production, that we are learning in class. The songs are available to stream on all major platforms, including Spotify, Apple and Amazon music. Simply search each song by its title and by artist 'Edgy Productions'.

Other Matters:

- The children will have their PE lesson on **Wednesdays and Fridays**, they will need to remember to come to school in their PE kit on those days.
- Please can you ensure your child has the correct equipment in their pencil case – they must have writing pencils, 30cm ruler, whiteboard pens and a glue stick. – thank you.
- The children can bring in a handwriting pen to use in class. It must be blue ink, not a biro please.
- **Multiplication Tables Check (MTC) – week beginning 8th June**
- My email address is a.brech@tssfirst.co.uk should you need to contact me.
