This week in Year 4

Monday 12th May

Residential week (Wednesday 14th – Friday 16th May)

English:

This week in English the children will be continuing their poetry unit and will be writing their own poem based on a poem called What is Pink?

Spellings and homework

There will not be any spellings or homework set this week due to the residential trip.

Maths:

We continue with our Fractions unit this week. The children will be subtracting from mixed numbers. This step covers subtracting a whole or a fraction from a mixed number.

Residential:

Please email me if you have any questions about the residential. Can you please ensure that all belongings the children bring are clearly labelled with their name? The children can bring their clothes in a suitcase or rucksack which ever is easiest. If they want to bring a smaller rucksack to put their water bottle, lunch, book and teddy in for the coach they may if they wish.

We are really looking forward to our trip and the weather is looking like it will be sunny – so please don't forget sun hats and sun cream!

Other Matters:

- The children will have their PE lesson on Tuesday. Please can all children have the correct PE kit in their bags – thank you. I will send home PE kits on Tuesday in case the children need their trainers for the residential.
- Please encourage your child to read daily at home and sign their reading record.
- Please encourage your child to access TTRS at least three times a week or [Multiplication Tables Check - Mathsframe](#) or [Times tables games and songs 1-12 - BBC Bitesize](#). It is so important that the children can recall all the times tables.
- Our class book is 'The Wild Robot' by Peter Brown. We are very lucky that we have a whole class set so each child gets to follow along as I read.
- The children have started learning some of the songs for The Hexagon. Please encourage your child to learn these songs at home. A letter was sent home with all the links to the songs and words.
- My email address is a.brech@tssfirst.co.uk should you need to contact me.
