This week in Year 4

Monday 13th July

English:

This week we will be focusing on our Leavers Service – learning our lines and songs.

Maths:

This week the children will be completing an investigation all about Smarties – they will be using estimation, counting, statistics, shape and fractions....and may even get to eat them at the end!

Year 4 production – Our Year 4 production was truly amazing, and we couldn't be prouder of every single child. From the moment they stepped onto the stage, they performed with confidence, enthusiasm and huge smiles, bringing so much energy and laughter to the audience. The children worked incredibly hard to learn their lines and delivered them brilliantly, showcasing their dedication and commitment. Their acting was superb, with each child playing their part wonderfully and helping to bring the story to life. The songs were fantastic, sung with confidence, expression and enthusiasm, making the performance even more memorable. It was a joy to watch the children shine on stage, and they should all be extremely proud of what they achieved. Well done, Year 4 – you were outstanding!

The Year 4 Leavers Service is on **Thursday 16th July at 9am** and I hope all parents will be able to join us with our celebrations. I would like to take this opportunity to thank all our Year 4 parents for your support this year. It has been a wonderful yet very busy year, but every pupil has really flourished and achieved their best. Thank you to our wonderful class reps for all their hard work this year and a huge thank you for the Year 4 Legacy Leavers gifts – I know the children in the school will thoroughly enjoy playing with all the outside toys and sitting on the beanbags.

Good luck to all our Year 4s in their new adventures and I hope they will come back and visit to let us know how they are getting on. Have a lovely summer and a well-deserved rest from the Yr4 team.

My email address is a.brech@tssfirst.co.uk should you need to contact me.
