This week in Year 4

Monday 18th November

English:

This week the children are continuing with writing their own settings based on different images. They will be trying to include expanded noun phrases, similes and metaphors. They will also look at writing a setting based on Harry Potter and the Philosopher's Stone.

Maths:

This week the children are continuing with Area. They will explore different ways of working out the area of a shape. The children will be making rectilinear shapes using a given number of squares. The children will compare the areas of rectilinear shapes (a 2D shape with straight sides, where all sides meet at a right angle and the outline is a continuous line with no holes) where the same size square has been used.

Spellings:

The focus this week is **words with a / shuhn/ sound, spelt with 'tion' (if root word ends in 'te' or 't' / or has no definite root) invention, injection, action, question, mention, attraction, translation, devotion, position, and solution.** Year 4's spelling test will be on **Monday 25th November**. If your child has returned home with a different spelling list, please focus on those words and not the ones mentioned above.

This week's homework will include an English activity, a Mathematics activity and Spelling/Handwriting sheet.
