# This week in Year 4

Wisdom

# Monday 21st October

# English:

This week we will continue with our unit on persuasive letters. They will share their letters they have written to Mrs Lovegrove and think of ways they could improve them. The children will also have the opportunity to write another persuasive letter.

#### Spellings:

The focus this week is words with the ending /shun/ spelt using 'sion'; division, invasion, confusion, decision, collision, television, revision, erosion, inclusion, and explosion. Year 4's spelling test will be on **Monday 4<sup>th</sup> November**. If your child has returned home with a different spelling list, please focus on those words and not the ones mentioned above.

#### Maths:

This week we will continue with subtraction. Our focus for the week is to subtract numbers with up to four digits using the formal written methods of columnar subtraction where appropriate. The children will learn to exchange when necessary. They will be encouraged to make choices about which method is most appropriate for a given calculation.

# Homework:

There will be no Maths or English sheets to complete over the half term but please continue to read at home and discuss the stories or text that your child has read to you. I have informed the children that I will be checking their reading records every Friday. Please complete activities on the 'Garage' section of TTRS.
