This week in Year 4

Monday 29th June

English:

This week we will be focusing on our production. The children will be working on projecting their voices and adding expression to their dialogue.

Maths:

This week, we continue our unit on money. The children will be applying their calculating skills with money to solve problems using all four operations in real-life contexts, including multi-step problems.

Home Learning:

Spellings:

The children will have another week to learn their spellings due to some children not being in last Wednesday. The focus: To identify and use the suffix 'ation'. The children will be tested on **Monday 6th July**.

Reading:

Please ensure your child is reading to an adult **daily** and they are being questioned about what they have read. Please record their reading in their reading record book. The children can change their books regularly if an adult has recorded in the book that they have read and finished the book. Children need to bring their reading book and reading record in to school every day.

Times Tables:

Children should still be accessing TTRS at least 3 times a week. There will not be a times table test as I would like children to concentrate on learn their lines and songs for the production.

Year 4 production – We will continue with our rehearsals for our Year 4 production. The children also have the songs for the production, that we are learning in class. The songs are available to stream on all major platforms, including Spotify, Apple and Amazon music. Simply search each song by its title and by artist 'Edgy Productions'. Please can all children continue to practise these songs at home – thank you. They are doing amazingly well with learning their lines.

Other Matters:

- The children can bring in a handwriting pen to use in class. It must be blue ink, not a biro please.
