## Maths:

This week we are to be looking at a number line to 20. We will be estimating on a number line and thinking about the order numbers come in. We will be ordering numbers from smallest to largest and then largest to smallest. We will also compare numbers to 20.

## Homework:

**Monster phonic books get changed each Monday.** Please make sure monster phonic books are kept in school bags so we can change them. Your child will also get to choose a free choice book that they can read for enjoyment. This book is a good book to be sharing at bedtime or at the weekend. They can also change this book on a Monday.

Your child will be tested on their spellings each Friday. Please support them with learning their spellings.

Your child now has their login for Numbots and PurpleMash. Please get them to access Numbots a few times a week. PurpleMash has some super number games to play. It is also great for Year 1 to build their confidence with logging into PurpleMash and saving their work etc.
