

# This week in Year 1

Monday 6<sup>th</sup> June 2022

I hope you all had a wonderful half term break.

In English this week we are going to be looking at non-fiction books. We will be looking at the features of non-fiction books and reading non-fiction books. We are going to be writing our own non-fiction books about Kenya animals. So we will be reading information to find out more.

## Phonics:

The phonic screening is taking place this week. Thank you for your support at home.

Over this half term we are going to be recapping everything we have learnt in Year 1, making sure we recognise all our sounds and can write them.

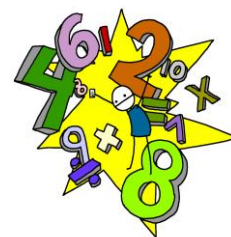

A brilliant website for phonic games is [www.phonicplay.co.uk](http://www.phonicplay.co.uk)

## Maths:

We are going to be looking at doubling and halving this week. We need to know our doubles and halves for numbers up to 20.

We will be solving word problems and playing games to help us with our doubling and halving.

## Homework:

Just a reminder that your child is able to change their reading book each day. Please let me know if your child is not changing their book and I can remind them to do it.

Please remember that purple homework folders come home on a Friday and need to be back in school by Wednesday. All work in the homework folder needs to be completed.

There is also online learning on abacus and purplemash. Please also remember that big club is available.

Your child will be tested on their weekly spellings every Friday.

**Your child came home with new star spellings just before May half term. Please support your child learning these words ready for the test before the summer holidays.**
