

This week in Year 1

Monday 7th March 2022

Please remember that on Thursday we are wearing a hat (based on a story) for World Book Day.

This week we are going to be writing our own rhyming space poems. We are going to start by thinking of rhyming words we can use in our poems. Once we have written our rhyming space poems we are going to be performing them to the class.

Phonics:

This week we are going to start phase 5b which will look at alternative pronunciations. We will look this week at the different pronunciations for i, o, c

The tricky words we are focusing on this week are:

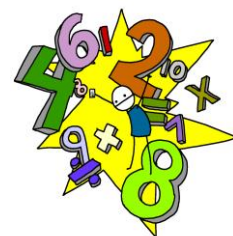

came, your, very, make

Phonics
ee ur ow
wh y au

Maths:

This week we are going to be finishing our subtraction topic by seeing if we can use our subtraction skills to play games and to solve some word problems.

We will then start to look at sharing numbers into groups of 2, 5 and 10.

Homework:

Your child will bring home a reading book. They will be able to change their book once they have read it.

Please remember that purple homework folders come home on a Friday and need to be back in school by Wednesday. All work in the homework folder needs to be completed.

There is also online learning on abacus and purplemash. Please also remember that big club is available.

Please continue to learn the star spelling words this half term. Your child will be tested the week before the Easter holidays.
