Monday 16<sup>th</sup> September 2024

### English:

This week we will continue to look at rhyming words and will be writing our own rhyming lines. We will then be looking at adjectives, making sure we can identify adjectives in sentences and use adjectives in our own sentence writing.

### Phonics:

We will be using monster phonics during our phonic lessons.

This week we are looking at the sounds:

**tche, ve, ai**

The words we are focusing on: **love, some, come, was, his, is, has, one, once, friend, your**

Phonics

### Maths:

In maths this week we will continue to count and represent different amounts. We will be counting on from a given number and focusing on our number formation.

We will also be recognising numbers as words.

### Homework:

Please remind your child that they can change their coloured reading book each day if they have read with you at home. We are currently assessing the children and will be sending home monster phonic books shortly. You will get one monster phonic book per week and this will link to their guided reading session.

Homework is coming home this Friday. It will need to be handed back the following Wednesday.

Your child came home on Friday with their weekly spellings for this half term. I have highlighted in green which spelling group they are in so please make sure they learn the correct spellings each week. They will be tested on their spellings every Friday.

**Action Points:**
