

This week in Year 1

Monday 20th June 2022

Reminder- Wednesday morning we are making lighthouses out of junk modelling materials. Your child came home with their design last week. Please provide your child with a bag of junk modelling materials on Wednesday.

In English this week we are going to begin to look at the book that links to our seaside topic 'The Lighthouse Keeper's Lunch.' We are going to be reading the story and ordering the main events in the story. We will then retell the story through drama. We will be using masks and props to help us retell the story.

Phonics:

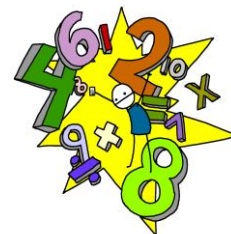

Over this half term we are going to be recapping everything we have learnt in Year 1, making sure we recognise all our sounds and can write them.

A brilliant website for phonic games is www.phonicplay.co.uk

wh y au

Maths:

This week we are going to be working on our subtracting skills. We will be making sure we understand that subtracting is taking something away and the number is getting smaller. We will be solving some word problems using our subtraction skills.

Homework:

Just a reminder that your child is able to change their reading book each day. Please let me know if your child is not changing their book and I can remind them to do it.

Please remember that purple homework folders come home on a Friday and need to be back in school by Wednesday. All work in the homework folder needs to be completed.

There is also online learning on abacus and purplemash. Please also remember that big club is available.

Your child will be tested on their weekly spellings every Friday.

Your child came home with new star spellings just before May half term. Please support your child learning these words ready for the test before the summer holidays.

**Action Points:**

- ★ This half term our PE days will be Wednesday afternoon and Friday.
- ★ Please remember that homework comes home on a Friday and needs to be handed in by Wednesday.
- ★ Please remember that there are homework online resources including purplemash, bug club and active learn to use.
- ★ Please remember to hand in the form for our zoo trip to Whipsnade which is happening on Tuesday 28th June.
 - ★ On Wednesday morning we are going to be making our own lighthouses using junk modelling materials. Please make sure your child brings into school a bag of junk modelling materials they can use to make their lighthouse.
- ★ My email if you need it is h.horth@tssfirst.co.uk
