

This week in Year 1

Monday 20th September 2021

English:

This week we are going to be receiving a special letter from Julia Donaldson asking us to think of a new character that could be added to the Gruffalo story. We will be thinking of our own character and writing a short story about how our character meets the Gruffalo/ Mouse. We will be focusing on making sure we use finger spaces and full stops when we write our sentences.

Phonics:

We are recapping phase 3 sounds and this week we are going to be looking at the sounds:

oo, ar, or, ur, ow

We are also going through our tricky words and using them in sentences:

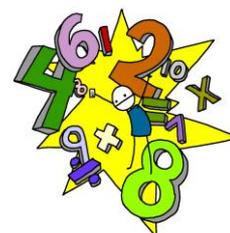

he, she, be, her, my, me, we, are, was, they, all, you

Phonics
ee ur ow
wh y au

Maths:

In maths this week we are going to carry on with our measuring. We will be measuring objects around the classroom using cubes and then will use a ruler and measuring in cm.

We will also be focusing on ordering numbers and will be looking at counting in 2's and what patterns we can notice.

Homework:

Your child will be bringing home reading books this week. They will be able to change books on a Monday, Wednesday and Thursday. Please make sure you are reading with your child daily.

Your child will bring home a purple homework folder on Friday. Please support them to complete the activities and bring back to school by Wednesday.

Your child will have a spelling test each Friday. I will send spellings home on Monday and their first spelling test will be on Friday (24th)

Please support your child in learning their spelling words.

Action Points:

- ★ PE is on Tuesday & Friday so please make sure that your child has a full PE kit in school and that every item is named.
- ★ The weather is beginning to change this week so please make sure your child has a coat/raincoat with them in case!
- ★ Please ensure that your child has their own pencil case that contains writing pencils, colouring pencils, a whiteboard pen, scissors and a glue stick. Some children's whiteboard pen or gluestick have run out. We do say to bring it back home to you so you are aware and can provide them with a new one.
- ★ On Tuesday afternoon we will be attending a multiskills PE afternoon. Your child may come home in their PE kits. Please make sure PE kits are back in school ready for PE on Friday.
- ★ On Monday during our science lesson we will be taking part in a taste test. Please let me know if your child has any allergies.
- ★ My email if you need it is h.horth@tssfirst.co.uk

The Year 1 Team
