We will be completing a maths activity as part of assessment week.

We will then be looking at subtraction thinking about how we can use our knowledge of number bonds to find the missing number. We will be solving some subtraction word problems.

We have noticed there are a lot of numbers being written the wrong way so we are focusing on that at the moment.

Homework:

Please read daily with your child. They are able to change their coloured book each day.

Monster phonic books get changed each Monday. Please make sure monster phonic books are kept in school bags so we can change them.

Homework comes home on Friday and needs to be handed in on Wednesday.

Your child will be tested on their spellings each Friday. Please support them with learning their spellings.

Please support your child with their star spellings this half term. They will be tested just before the Christmas break.

Action Points:

★ PE is on Wednesday & Friday this half term so please make sure that your child has a full PE kit in school and that every item is named.
