

This week in Year 1

Monday 28th February 2022

I hope you all had a wonderful half term.

This week we are going to begin our poetry topic. We will be looking at different poems and will be focusing on rhyming poems this week. We will be writing our own Space rhyming poems and will be performing them to the rest of the class.

Phonics:

We are recapping phase 3 and phase 5 sounds, making sure we can read and write them in words.

We are working towards the phonic screening and are working on reading alien and real words.

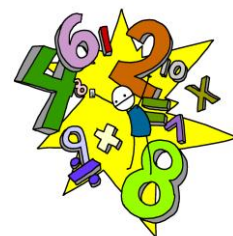

The tricky words we are focusing on this week are:

called, looked, asked, could

Phonics
ee ur ow
wh y au

Maths:

This week we are going to be working on our subtraction skills. We are going to be using ten frames to help us work out different subtraction sums. When we write our number sentences we are going to be making sure we use – and = correctly.

Homework:

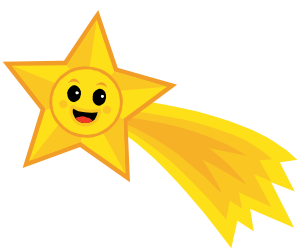

Your child will bring home a reading book. They will be able to change their book once they have read it.

Please remember that purple homework folders come home on a Friday and need to be back in school by Wednesday. All work in the homework folder needs to be completed.

There is also online learning on abacus and purplemash. Please also remember that big club is available.

Your child will be tested on their star spellings this week. Please make sure your child has learnt their star words.

**Action Points:**

- ★ This half term our PE days will be Thursday and Friday.
- ★ Please remember that homework comes home on a Friday and needs to be handed in by Wednesday. We are getting a lot of children who are not handing their homework in on time. Please support your child with this.
