

This week in Year 2

Tuesday 13th January 2026

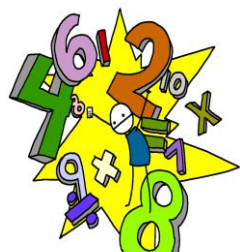

English:

The children will be writing extended sentences using coordinating conjunctions. They will need to ensure that their two clauses link together and they have the punctuation in the correct places.

Phonics:

This week will be exploring how to add suffixes to words e.g. sadness and carefully. We will also be exploring contractions e.g. couldn't and I'll.

Phonics
ee ur ow
wh y au

Maths:

This week we will be continuing our learning on money. The children will be looking at comparing different amounts of money and calculating change.

Home learning:

This is now being streamlined so that all year groups are aligned. A new Monster Phonics book will now be issued to your child on a Monday and they should read this with an adult five times throughout the course of the week, focusing on different aspects of the book. Please refer to the Home Learning document sent out on Monday 12th January for further information and support. In addition to this we really want to encourage, reading for pleasure aka sharing bedtime stories and library books.

Maths - Purple Mash, Maths Bot and White Rose 'One-minute maths' are all suggested on the updated homework policy. See above for current math topics.

Spellings – Please see your child's spelling sheet.

Action Points:

- ★ Welcome back and Happy New Year!
- ★ Our final swimming lesson for the year is this Wednesday 14th January.
- ★ Going forwards PE will be on **Mondays** and Fridays. The change in day is due to the WSSP coach's availability (Windsor Schools Sports Partnership). As per communication sent this week in the school newsletter, please ensure that from Monday 19th January, your child comes to school wearing their full PE kit, to include trainers, on these days.
- ★ Please could we ask that you ensure that your child has a labelled glue stick and whiteboard pen at school. You can buy both from the school office (glue sticks - £1.50 / whiteboard pens – 50p). Thank you for the contributions that some of you have made to the class pot. We use both items frequently and not having these items can hinder and slow down the children's learning.

Thank you,

From the Year 2 Team
