### **Homework**

The timestables test is linked to the timestables homework. Children will move on to the next timestables once they can complete the test with speed and accuracy. The test consists of 36 questions and the children should complete it in less than two minutes.

### **Welcome Meeting**

Thank you to those who were able to attend the welcome meeting last Wednesday. I didn't receive any questions after the meeting. If you do have any questions, please email me directly [h.dewar@tssfirst.co.uk](mailto:h.dewar@tssfirst.co.uk).

### **Finally**

I was very impressed with the number of Year 4 children who put themselves forward for school council. They all received a golden point for their short presentations to the class. The voting was extremely close.
