## **Class News Monday 27<sup>th</sup> September 2021**

### **Year 4**

**Maths** – In Maths we will spend time on co-ordinates as this links with both our Computing and Geography lessons this week. The children will also learn how to plot and translate shape.

**English** – This week we will re-tell a story we have been learning by heart, focusing on remembering the story and changing the words. We will also recap co-ordinating conjunctions and noun phrases.

#### Spellings:

1. Brake
2. Break
3. Fair
4. Fare
5. Grate
6. Great
7. Groan
8. Grown
9. Occasion
10. Occasionally

**Foundation** – In Geography we will be using the atlas to locate cities in the UK. The children will complete a co-ordinates exercise. In RE we will continue our work on Judaism focusing on Moses and the Ten Commandments. In Computing the children will continue to code, they will attempt to programme a knight in a castle, to move and then change a direction using IF statements, collision, timers and repetition.

### **Homework**

All homework has been handed in on time – fantastic! Just a reminder that I look at the reading logs on Wednesdays. Last week I was only given 17 reading logs. Please can you encourage your child to bring their reading log into school each Wednesday for me to look at. School reading books should come back to school on Wednesday and will be returned Thursday or Friday at the latest.

### **Finally**

Not all homework folders were given out on Friday, my fault. The folders will go home on Monday.
