Class News Monday 29th November 2021

Year 4

Maths – In Maths we have completed our assessment. Children who have been absent for an assessment will be given the opportunity to complete the assessment on their return. We will go through the assessment papers, once all children have completed the paper. For the next couple of weeks we will be covering: Venn and Carroll Diagrams, Time, 2D and 3D shape.

English – The children will be reading their Light House Stories to their buddies on Tuesday. The new focus in English will be non-fiction report writing and will link with the Science topic of Circuits.

Foundation – In History we will be learning about Anglo Saxon religion and beliefs. In computing we will discuss screen time which will be linked to a homework. In PSHE we will finish our Confidence boxes and kind comments and also discuss first impressions.

Homework

Spellings will be tested on Friday: forgetting, forgotten, beginning, beginner, prefer, preferred, gardening, gardener, limiting, limited, limitation

The children have a number of Maths Games to play on Abacus. I have checked that they all have their logins. If you have trouble accessing the games please ask your child to speak to me in class so that we can log on together.

In addition to Maths and Spellings, all of the children have the song and poem words for the Christingle and Year 3 and Year 4 Christmas Assembly. These need to be learnt off by heart. We are practicing this in school, daily.
