Assessment of the Impact of a Policy on Equality & Diversity

Policy: Behaviour Policy	
Impact assessed by: R Lane	Date: 16/11/2022
1. What is the potential for this policy impacting a person or group with a protected characteristic differently (favourably or unfavourably) from everyone else? Significant. Students from protected groups could be more harshly treated or less generously rewarded than the general student population.	
2. How would this be evidenced? By close monitoring of pastoral indicators for different groups.	
3. Is there evidence that the operation of the current policy might impact a person or group with a protected characteristic differently from everyone else? NO	
4. If the answer to 3 is 'Yes', please provide details and evidence. 	
5. How might the new policy change this? 	
6. Are there any other changes to the policy which might impact a group with a protected characteristic differently from everyone else? NO	
7. If the answer to 6 is 'Yes', please provide details and evidence. 	
8. Policies are required to reduce or eliminate inequality and disadvantage and promote diversity. Does this assessment indicate that the Policy passes or fails this test? PASS

Twyford C of E Trust Schools

Behaviour Policy

Aims and Policy

1.1 Overall Aim

The Directors, Governors, staff, parents and students of Twyford CE Academies Trust and its schools believe that all will get the best out of school when everyone, irrespective of gender, sexual orientation, ethnicity, age or religious belief:

- Respects, understands and cooperates with each other
- Is polite to each other and respects each other's abilities and aptitude, background and culture, religious belief and views, disabilities and property
- Arrives on time at school and for lessons when school is in session
- Gives of their best in work by listening and learning
- Respects the education of others
- Works and plays safely, by looking after those with learning and physical disabilities
- Helps each other and our local community

1.2 Policy Statement

Without an orderly atmosphere, effective teaching and learning cannot take place.

Students are encouraged to make the most of every opportunity at **Twyford C of E Trust schools** in order to be the "best that they can be".

Good levels of achievement, effort, positive conduct, attendance, punctuality and participation in extracurricular activities will be encouraged, praised and recognized wherever and whenever it is evident.

Twyford Trust's idea of Learning Conduct is designed to ensure that students develop a positive and disciplined way of conducting themselves. Having an internalised self-discipline is the most effective way that students will be safeguarded as they move towards adult life.

The principles and policy statement underpinning the whole School Behaviour Policy apply also to the Sixth Form who are subject to the same provisions of the Behaviour Policy including fixed term suspensions (both internal and external) and permanent exclusion; with the exception that Sixth Formers are allowed mobile phones, personal stereos, iPods etc. in school so long as they do not disrupt teaching / study. In addition to this Behaviour Policy Sixth Form students will be expected to adhere to a separate Sixth Form Code of Behaviour and expectations (see attachments).

Student Expectations

2.1 General behaviour

Students are always expected to:

- Comply with the general behaviour expectations (section 2.1), the Classroom Code of Conduct and the Student section of the Home-School agreement.
- Be polite, well-mannered and respectful to all staff and fellow pupils
- Follow a teacher's instruction
- Show good behaviour to and from school and in particular in the immediate school environment
- Wait outside a teaching room until the class teacher arrives
- Only consume food and drink in designated areas at break and lunchtimes
- Move around the buildings and behave in a safe and orderly fashion (e.g. respect one way systems, do not drop or throw any object from a height onto the floors below).

Students must not:

- Bring into school, use or supply any illegal drug (*) or psychoactive substance as this is strictly forbidden and will lead to permanent exclusion.
- Cause offence to others, including the use of foul, racist or sexist language or inappropriate sexual contact.
- Take any action which affects the health and well-being of others e.g. dangerous behaviour on the school site, bullying, fighting, use of internet sites or other social media.
- Take property from other students' clothes, lockers or bags. Theft of property belonging to the school, staff or other students will not be tolerated. If students fail to observe this ruling items may be confiscated and the student may face a serious sanction.
- Use cigarettes or alcohol, or any other harmful or forbidden substance on the way to, from and whilst on the school premises or a school trip. Failure to observe this restriction may lead to a fixed term suspension (and in the case of illegal drugs permanent exclusion).
- Bring the school's name into disrepute.
- Threaten or use physical violence to a student or adult.
- Bully another student; bullying of any sort will not be tolerated (verbal, physical, emotional or cyber).
- Deliberately damage school equipment or property – a charge will be made for any damage and a student may be asked to repair the damage.
- Chew gum or drop litter on the school premises.
- Damage or graffiti any school property.
- Leave a classroom without permission and a note from a teacher.
- Seek medical attention without a note from the teacher of their current lesson.
- Enter a teaching area during lunch or break times without permission.
- Bring into school high energy, caffeine or sugar drinks as these will be confiscated.
- Interfere with any school equipment [including fire alarms].
- Leave the school site during the school day without permission, except for Sixth Formers.
- Bring any items into school which are not directly connected to their lessons.
- Get involved in any sort of buying and selling between students.

The school reserves the right to involve the police in cases where students' actions would be considered illegal if they happened outside the school.

The school will always permanently exclude a pupil for the following:

- a) Having an offensive weapon in school**
- b) Possession of any illegal drugs in any form (*) in school**
- c) Supply or intent to supply illegal drugs in or out of school**
- d) Assaulting a member of staff**
- e) Serious misuse of social media that affects the health and well-being of a member of the school community or brings the schools name into disrepute.**

Other serious incidents (including assault of another student) may result in permanent exclusion or a fixed term suspension up to 45 days.

Permanent exclusion is a last resort for Twyford Trust schools and all steps will be taken to avoid it. However persistent failure to comply with the school's Behaviour Policy may also lead to a permanent exclusion.

(*) The School will always use the most up to date list of illegal drugs as provided on the Government services information website (www.gov.uk).

Managed Moves

Twyford Trust schools conduct managed moves between the Trust schools rather than borough schools as the strong communication between pastoral staff and the commonality of pastoral curriculum/approach gives the managed moves maximum chance of success. Conducting managed moves between the schools also provides a context for honest and clear communication over the needs of the particular student being considered for a managed move, and therefore greater likelihood of success.

DfE guidance recommends that head teachers consider a managed move as one of a number of alternatives in response to a serious breach of the school's behaviour policy and suggests that schools within an area have a protocol in place.

We would always want a managed move to be successful and expect that the process around the managed move and the new setting for the pupil would enable them to reconsider their actions and behaviour in order to avoid permanent exclusion. Although the Trust schools operate the same pastoral systems and behaviour policy, we would expect this to be an advantage to the student who can 'reset' themselves with a new staff and student community but in a familiar pastoral context. (For full protocol see Attachment 14)

2.2 Praise and Sanctions

Praise

All students are motivated to learn by praise, reward and celebration of achievement. Students should always be commended for good behaviour. Staff should recognise students' special achievements and share such information with other colleagues. Students will be awarded positive conduct points when they demonstrate high levels of engagement with their learning. These are recorded by teachers on the school's SIMS system. Praise must be given for progress, not just high quality work. It must be possible for all students to receive the same level of positive feedback regardless of their academic development.

Pupils might receive:

- Positive conduct points.
- Certificates and postcards or letters home and awards at celebration of achievement evenings or junior and senior awards evenings.
- Verbal praise/comments in Year Assembly.
- Features in the school newsletter or magazine.
- Comment in student planners, postcards home, certificates of achievement.
- Displays of work.
- A prize at Celebration of Achievement, Junior or Senior Awards evenings, End of Term Celebration Assemblies where progress is rewarded as well as achievement.
- Termly year group prizes or tutor group prizes.

Sanctions

Failure to comply with the general behaviour expectations (section 2.1 above), the Classroom Code of Conduct or the Student section of the Home-School agreement may lead to sanctions being applied. These could be:

- Verbal warnings
- Negative conduct point(s) being awarded
- Moved seating in classroom
- Being sent to shadow timetable teacher / Head of Department removal from classroom
- Detention (student notified in pm registration, parent contacted by email)
- Removed from lesson by duty teacher (automatic senior detention & letter to parents)
- Being placed on a monitoring card
- Reduced break or lunch period
- Withdrawal of school privileges
- Fixed term suspension (internal or external)
- Permanent exclusion

In addition subject to the Behaviour Policy, the school may impose a sanction i.e., fixed term Suspension or Permanent Exclusion for the following:-

1. Misbehaviour when the pupil is: taking part in any school-organised or school-related activity including where these are
 - Travelling to or from school
 - Or wearing school uniform
 - Or in some way identifiable as a pupil at the school
2. Misbehaviour at any time, whether or not the conditions above apply, that:
 - Could have repercussions for the orderly running of the school where it
 - Poses a threat to another pupil or member of the public
 - Could adversely affect the reputation of the school

Pastoral Intervention Stages

To allow students, parents and teaching staff to tell how well a student is engaging with the schools' learning & behaviour expectations, the Trust uses a set of Pastoral Intervention Stages with linked indicators, interventions, and diagnostics (see Attachments 11 & 12).

The aim is that each student stays at Pastoral stages below or at stage 1, with their class teachers and form tutor supporting them. A small percentage of students (less than 10%) may require greater support or intervention from more senior staff. Students who reach stages 2 or 3 will be monitored by their Head of Year or Head of Key Stage. A very small minority of students reach stages 4 or 5; if this happens it means that poor learning and behaviour choices are putting them at risk of a fixed term suspension or even permanent exclusion (see persistent poor behaviour reference on page 6 of this policy). At stages 4 & 5, the Deputy Headteacher or the Associate Headteacher monitors the student. The first indicator that a student has reached stage 4 is if they reach 50 negatives in a half term. If this happens, the student will automatically receive an internal suspension. Following the internal suspension parents will be contacted to discuss their child's progress, so that positive steps can be taken to support their child and so they can avoid further sanctions.

Threshold System Per Half Term		
Negative Conduct Points	Pastoral Intervention Stage	On Report to
10 to 20	Stage 1	Form Tutor Monitor card
20 to 35	Stage 2	Assistant Head of Year or Head of Year
35 to 50	Stage 3	Head of Key Stage
50 to 75	Stage 4	Deputy Head teacher
75+	Stage 5	Risk of Permanent Exclusion

At Twyford C of E High School

Incidents and punishments will be recorded in the student planner and on the school's conduct data base. Parents will be given notice for any detention lasting longer than 15 minutes.

At William Perkin C of E High School

Incidents and punishments will be recorded on the school's conduct data base. Detentions are given on the day the incident occurs and parents are notified by email on the day.

At Ealing Fields High School

Incidents and punishments will be recorded on the school's conduct data base. Detentions are given on the day the incident occurs and parents are notified by a text message or email on the day.

At Ada Lovelace C of E High School

Incidents and punishments will be recorded on the school's conduct data base. Detentions are given on the day the incident occurs and parents are notified by a text message or email on the day.

Records of sanctions imposed for serious misbehaviour

A copy of fixed term suspension and permanent exclusion letters are kept on student records in SIMS, as a hard copy in the student's school file and in the relevant whole school exclusion file.

2.3 Prohibited and banned items

- Prohibited items are those listed in the DfE 'Searching, Screening and Confiscation' advice for schools, head teachers, staff and governing bodies.
- Banned items are additional items that the school chooses to ban.

Searches can be made without consent for any prohibited item and any identified banned item if the school has reasonable grounds for suspecting that a pupil is in possession of one of these items. Staff carrying out these searches would do so in accordance with DfE guidance.

Prohibited Items	Banned Items (KS3 & 4 students)
	These are all items which the school identifies as ones that may be searched for without consent according to the DfE guidelines.
Knives or other weapons	Aerosols
Alcohol	Any hazardous substances including psychoactive substances
Illegal Drugs	Bottles of correction fluid
Stolen items	Chewing gum
Tobacco and cigarette papers	Electronic devices (other than those agreed with the school for educational purposes). This includes all SMART devices e.g. SMART watches.* Mobile phones, other than those mentioned in 2.4 of the policy.*
Fireworks	Jewellery* Clarification of jewellery banned from school <ul style="list-style-type: none"> Bracelets of any description Chains, except for medical tags Earrings other than plain gold and silver small studs. In searching for any banned item marked with an * the school would automatically confiscate the item until the end of the term. Any other banned items found will simply be discarded.

2.4 Mobile Phones (Key Stage 3 & 4 students)

We recognise the importance of safeguarding children from potentially harmful and inappropriate online material, and we understand that technology is a significant component in many safeguarding and wellbeing issues.

To address this, our school aims to:

- Set clear guidelines for the use of mobile phones for the whole school community
- Establish clear mechanisms to identify, intervene in and escalate any incidents or concerns, where appropriate

Parents who wish their child to carry a mobile phone to school should do so only according to the following

- The phone should not be a smart phone or be capable of taking photos or connecting to the internet. (See school website for details of approved models).
- It should be clearly marked with the student's name.
- The phone should be switched off before the student enters the school site and placed in their school bag.
- The phone should not be brought out at any point during the school day.
- It should only be used before or after school when students are well out of sight of the school entrances.

A school approved mobile phone remains the responsibility of the student at all times and the school will not take action if it is lost or stolen.

Searching

There may be occasions where a member of staff is required to search a student's personal belongings to look for a mobile phone (this will be done in accordance with the DfE guidance on searching and screening).

- If during a search a 'school approved phone' is found it will not be confiscated provided it does not contain any evidence relating to an investigation AND when it is found it is switched off.
- All non-school-approved phones and school-approved phones that are not switched off will automatically be confiscated as part of a search.

Immediate confiscation

- Any phone that is seen or heard during the school day (school issue or otherwise) will automatically be confiscated.
- Any phone which is seen before or after school, within sight of the school entrances will automatically be confiscated

Confiscation period

When a phone is confiscated, it will not be returned until the end of the full school term in which it is confiscated

Mobile Phones (Key Stage 5 students)

Sixth Form Students are allowed mobile phones in school if students are discreet in using them. Students should not be using their mobile phones as they walk around the school site.

As part of a school investigation into an incident there may be occasions when a member of staff requires a Sixth Form student to hand over their mobile phone. Students in the Sixth Form are expected to do this and cooperate as they would in Key Stage 3 or 4.

In these situations the phone will be held until the incident is fully investigated and resolved.

There may be occasions where a member of staff is required to search a student's possessions to look for a mobile phone (this will be done in accordance with the DfE guidance on searching and screening).

In the event of an incident, searched or confiscated phones will be held if evidence is required.

2.5 Use of the school computer network

See Computer Use Agreement and E-Safety Policy.

2.6 Consensual or non –consensual sharing of nudes or semi nudes (sexting)

Sexting and the Law

- It is an offence to possess, take, make, distribute or show anyone an indecent or abuse image of a child or young person **under 18** years of age. Note that whilst the age of consent is 16, the relevant age in relation to indecent images is 18
- A child under the age of 18 commits an offence by making and possessing a sexually explicit image of themselves.
- A child commits a further offence if they distribute the image
- A person receiving the image is also liable for an offence of possessing the image. Under no circumstances should you save the image, show it or send it to another person

School behaviour expectations

The general school behaviour expectations already states that

- Students should not take any action which affects the health and wellbeing of others e.g. dangerous behaviour on the school site, bullying, fighting, use of internet sites or other social media

Any student who shows inappropriate images or sends/posts inappropriate images of one student to another would automatically receive a serious sanction by breaking the above rule.

The school also takes very seriously the offence that a student commits when they take and share an inappropriate image of themselves as they are acting illegally and potentially affecting their own future well-being

When an incident involving nudes and semi-nudes comes to the attention of any member of staff

- *The incident will be referred to the DSL (or equivalent) as soon as possible*
- *The DSL (or equivalent) will hold an initial review meeting with appropriate staff. This may include the staff member(s) who heard the disclosure and the safeguarding or leadership team who deal with safeguarding concerns*
- *There may be subsequent interviews with the children or young people involved (if appropriate)*
- *Parents and carers will be informed and involved in the process in order to best support the child or*

young person unless there is good reason to believe that involving them would put the child or young person at risk of harm

- *A referral will be made to children's social care and/or the police immediately if there is a concern that a child or young person has been harmed or is at risk of immediate harm at any point in the process*

(taken from UK council for internet safety –updated Dec 2020)

Any student who is found to have made, possessed or sent a sexually explicit image of themselves is acting illegally and would automatically expect to receive a sanction in line with the seriousness of the incident.

2.7 Child on child abuse

We recognise that children are capable of abusing their peers. Abuse will never be tolerated or passed off as “banter”, “just having a laugh” or “part of growing up”, as this can lead to a culture of unacceptable behaviours and an unsafe environment for pupils.

We also recognise the gendered nature of child-on-child abuse. However, all child-on-child abuse is unacceptable and will be taken seriously.

Cases of pupils hurting other pupils will be dealt with under this behaviour policy, however the child protection and safeguarding team will be alerted and involved in any allegation that raises safeguarding concerns. This might include where the alleged behaviour:

- Is serious, and potentially a criminal offence
- Could put pupils in the school at risk
- Is violent
- Involves pupils being forced to use drugs or alcohol
- Involves sexual exploitation, sexual abuse or sexual harassment, such as indecent exposure, sexual assault, upskirting or sexually inappropriate pictures or videos (including the sharing of nudes and semi-nudes)

Sixth Form Agreement

All Sixth Form students are expected to read and sign this agreement witnessed by the school.

The agreement is made to encourage students to achieve their full potential.

Sixth Form Code of Behaviour and Expectations

The principles and policy statement underpinning the whole school Behaviour Policy apply also to the Sixth Form who are subject to the same provisions of the Behaviour Policy including suspensions and exclusions; with the exception that Sixth Form students are allowed mobile phones, iPods etc. in school as long as they do not disrupt teaching/study and students adhere to the KS5 mobile phone expectations (see page 9 of the school Behaviour Policy).

As there are a large number of new entrants in the Sixth Form, the following agreement outlines some of the expectations of Sixth Form Students which all members of the Sixth Form are expected to sign.

As a school we promise to provide:

- Initial and continuing guidance about courses to meet your individual needs
- Appropriate teaching, setting and marking of homework
- A system of student monitoring, assessment and assistance to facilitate learning and improve attainment
- Regular reporting and assessment of progress which takes into account your abilities and objectives for the future
- Professional advice, guidance and support for your academic studies, university application or employment
- Facilities and resources for study and the encouragement to acquire sound learning skills and habits
- A genuine concern for the development and welfare for our students. Staff, tutors and the Chaplaincy team are available for advice and the help of outside agencies can be sought when needed. No student should feel they have no one whom they could turn to.

As a student you will adhere to the following:

Code of Behaviour:

- Follow the school Behaviour Policy. Any incident of verbal/physical abuse, aggression, racism, bullying or violent behaviour to any member of the school community is unacceptable and will be treated as a serious misconduct issue in accordance with the school Behaviour Policy.
- Sixth Form students are expected to behave as responsible adults within the school community and be aware that they represent the school community when they are not on site. The school reserves the right to investigate any activity including outside the school day or site which brings the schools name into disrepute.
- Evidence of involvement in serious misconduct may lead to the loss of a student's Sixth Form place.
- If the school investigates an issue involving illegal activity either within or outside school, all information will be routinely passed to the police.
- Agree and follow the school's ICT policy, computer use agreement and e-safety policy.
- Twyford is a non-smoking site and this extends to the local area. Students must not smoke at nearby bus stops or near local businesses.
- Twyford Crescent Park is completely out of bounds.

Progress

- Progress from Year 12 into Year 13 requires you to pass three end of year assessments with grades A-D. If you obtain fewer than three Grade Ds in the Q4 assessments you will be required to take a resit in order to progress to Y13.
- Abide by the Sixth Form academic review system which would involve having my progress monitored lesson by lesson for an agreed period. Failing such a review could lead to removal from courses and eventually loss of a Sixth Form place.

Attendance

- Have a high rate of attendance with an absolute minimum of absences. To provide notes when there are absences.
- Appointments, driving lessons and holidays are not to be taken during school day/ term time.
- Prompt attendance at all timetabled lessons, assemblies, registration and other school commitments.

Study

- Take a responsible and mature approach to your studies with a commitment to maintain good standards of work and meet course requirements. Students who cause concern will be subject to the Academic Review Process outlined as Point 15.
- Meet assignment, homework and project deadlines
- The systematic use of study time to follow up and consolidate work covered in class. As a guideline, A levels require an hour of independent study for every hour spent in lessons (i.e. 3 or 4 hours per day)

Wider School Role

- Get involved and support school activities such as student leadership, Sixth Form council, Activities week, school trips, work experience, etc.
- Respect the working environment of the school. Respect and support the Christian ethos of the school. Respect all members of the school community.
- Contribute to the Community Service programme offered at Twyford, spending a minimum of 2 hours per week and logging this on your community service passport.

Mobile Phones

Sixth Form students are allowed mobile phones in school if they are discreet. Students should not be using mobile phones as they walk around the school site.

As part of a school investigation into an incident there may be occasions when a member of staff requires a Sixth Form student to hand over their mobile phone.

Students in the Sixth Form are expected to do this and co-operate as they would in Key Stages 3 & 4.

In the event of an incident, searched or confiscated phones will be held if evidence is required.

In these situations the phone will be held until the incident is fully investigated and resolved.

There may be occasions where a member of staff is required to search a student's possession to look for a mobile phone (this will be done in accordance with D of E guidance on searching and screening).

Data Protection

Attachment 14 - Twyford Trust school to school managed move protocols

Introduction and aims

Twyford Trust schools conduct managed moves between the Trust schools rather than borough schools as the strong communication between pastoral staff and the commonality of pastoral curriculum/approach gives the managed moves maximum chance of success. Conducting managed moves between the schools also provides a context for honest and clear communication over the needs of the particular student being considered for a managed move, and therefore greater likelihood of success.

This protocol aims to establish guidance for the Twyford Trust schools on the thought process and procedural steps involved in setting up a school to school managed move between Trust schools. The aim of the school to school managed move would be to bring about an improvement in the behavior of the student so they can avoid a permanent exclusion from a Trust school.

DfE guidance recommends that head teachers consider a managed move as one of a number of alternatives in response to a serious breach of the school's behaviour policy and suggests that schools within an area have a protocol in place.

Managed moves should only be carried out with the full knowledge and co-operation of all parties, including the parents and the Local Authority (LA), and in circumstances where it is in the best interests of the pupil concerned and the school community as a whole.

We would always want a managed move to be successful and expect that the process around the managed move and the new setting for the pupil would enable them to reconsider their actions and behaviour in order to avoid permanent exclusion. Although the Trust schools operate the same pastoral systems and behaviour policy, we would expect this to be an advantage to the student who can 'reset' themselves with a new staff and student community but in a familiar pastoral context.

Categories of managed move

Within the Trust we would consider students for a managed move in one of two categories:

	Likely circumstances	Reason for considering a managed move
Category 1	Students who have committed a serious breach of the behaviour policy but whose actions do not necessarily warrant an immediate permanent exclusion. The relationship between the pupil and the school/school community may have broken down to an irrevocable degree.	To give a second chance in a new context as their behaviour record and/or individual one-off incident means they might deserve or benefit from a final opportunity in a new context. The circumstances around the serious one off incident may be complex and mean that suspensions are insufficient for the wellbeing of the student and/or community.

Category 2	Students at risk of permanent exclusion for persistent disruptive behaviour. Typically these would be students who have at least 3 suspensions within the previous 12 months.	To provide a final setting in which a student may reconsider a pattern of behaviour to avoid a permanent exclusion. To ensure that every strategy has been tried to avoid permanent exclusion for a particular student.
-------------------	--	--

Managed moves are never considered for pupils who have met the criteria for permanent exclusion

Managed moves will not necessarily be offered to every pupil at risk of permanent exclusion as it may not be the appropriate intervention for the pupil, school community or the receiving school.

Decision-making process:

- The Deputy Head consults with the Associate Headteacher on whether a managed move would be appropriate to suggest to another Trust school.
- The pupil's profile would be reviewed and consideration of any previous managed moves offered or given would be taken into account.
- If the sending school feels it would be appropriate to suggest the managed move, the Associate Headteacher would refer to the Executive Headteacher to discuss with the relevant school teams.
- If agreed, the SLT would meet with parents to discuss whether a MM is a possible outcome.
- Once agreement has been secured from the sending school, receiving school and family then the family must give written permission to go ahead (See Appendix 1 sample letter)

Rules of engagement

- The process should not be a '1 for 1' swap as managed moves cannot be dependent or related to the outcome of a separate student.
- No school should take more than one category 1 and one category 2 managed move pupil per year group in any academic year.
- Each school should reciprocate the offer of a place in the same category within 12 months if the school 'receives' a pupil on a managed move from another school.
- Managed moves would not be considered for pupils with EHCP. The emergency annual review process would name different provision rather than using the managed move protocols.
- In cases of SEN K student's additional scrutiny of the individual circumstances would be required to ensure it was in the best interests of the pupil and capability of the receiving school to meet the needs of the pupil.

Setting up the managed move

- A meeting should be arranged between the pupil, his/her parent(s) and relevant staff from each school.

The purpose of the meeting should be to:

- Underline the receiving school's expectations in terms of behavior (See Appendix 2 sample agreement)
- Detail the targets that the receiving school expects the pupil to meet to be successful – individual school Pastoral Support Plan documents must be prepared and ready for the meeting.
- Detail the support to be put in place for the pupil.
- Agree practical arrangements such as start date, tutor group, timetable, travel arrangements and uniform.
- Agree dates of the fortnightly reviews.
- Detail the outcome should the managed move not be successful.

Trial period

- All managed moves will start on a trial basis.
- Ideally the trial period will be a complete half-term (6 weeks) and will be reviewed on a fortnightly basis, the date of the final review will be the date on which the decision is made as to whether the move becomes permanent
- Managed moves can be extended to 12 weeks with the agreement of the sending and receiving school either at the outset or during the managed move. This may be done to give the student more time to meet the new expectations or because the receiving school is not yet sure they are able to meet their needs.
- There should be no more than 4 weeks between planning a move and starting the new school.
- Pupils remain on roll at the sending school during the trial period and are recorded as on dual roll.
- Any records including CP records must be transferred to the receiving school as appropriate.

Completing a successful managed move

- If the managed move is successful then the pupil transitions onto the single roll of the receiving school.
- They leave the roll of their sending school.
- Any remaining records should be fully transferred.
- Pupils cannot return to their sending school after the completion of the managed move.

Ending a managed move early

The receiving school may choose to terminate the managed move if the targets set out in the initial meeting between the two schools and parents are not met.

There should be one 'warning' meeting if this is a likely outcome.

If the trial period at the receiving school is unsuccessful the pupil will return to the home school.

The original school would hold a meeting with the students and depending on which category they were in would adopt the following approach:

- **Category 1 students** would return to their sending school and a further serious breach or repeated breaches of the behaviour policy would result in a permanent exclusion
- **Category 2 students** are then given a final written warning that any further breach of the behaviour policy would likely lead to permanent exclusion as the managed move has also failed to change their behaviour. The student would go back to a new pastoral support plan at their original school.

Annexe to Behaviour Policy

This annexe summarises additional behaviour expectations of students during the period of recovery from the Covid-19 epidemic and period of school closure.

During the period of recovery, additional measures have been put in place to secure the Health and Safety of students. These focus on:

- Social Distancing
- Individual hygiene
- Responsible behaviour in communal areas & transit to & from school.

Specific arrangements for on-site Health and Safety (for example circulation within buildings) will be communicated directly to students and may be refined as the situation develops however the following points are standard.

- Students must respect social distancing and must NOT engage in informal physical contact
- Students have a responsibility to communicate honestly if they have symptoms
- Students must make responsible use of handwashing / hand-hygiene facilities
- Students must not share equipment and in particular items which have had close skin contact such as water bottles or headphones
- Students may wear plain face coverings on site if they are able to do so responsibly (following guidelines on best practice [How to wear and make a cloth face covering - GOV.UK](#))

Students who fail to abide by these rules and therefore put the health of others at risk may receive sanctions such as internal/external suspensions or permanent exclusion

- Deliberate spitting or coughing or threats to undertake this will be treated as seriously as acts of physical aggression in usual school sanctions.
