Assessment of the Impact of a Policy on Equality & Diversity

Policy: Behaviour Policy	
Impact assessed by: R Lane	Date: 04/11/25
1. What is the potential for this policy impacting a person or group with a protected characteristic differently (favourably or unfavourably) from everyone else? Significant. Students from protected groups could be more harshly treated or less generously rewarded than the general student population.	
2. How would this be evidenced? By close monitoring of pastoral indicators for different groups.	
3. Is there evidence that the operation of the current policy might impact a person or group with a protected characteristic differently from everyone else? NO	
4. If the answer to 3 is 'Yes', please provide details and evidence. 	
5. How might the new policy change this? 	
6. Are there any other changes to the policy which might impact a group with a protected characteristic differently from everyone else? NO	
7. If the answer to 6 is 'Yes', please provide details and evidence. 	
8. Policies are required to reduce or eliminate inequality and disadvantage and promote diversity. Does this assessment indicate that the Policy passes or fails this test? PASS

Twyford C of E Trust Schools

Behaviour Policy

Aims and Policy

1.1 Overall Aim

The Directors, Governors, staff, parents and students of Twyford CE Academies Trust and its schools believe that all will get the best out of school when everyone, irrespective of gender, sexual orientation, ethnicity, age or religious belief:

- Respects, understands and cooperates with each other
- Is polite to each other and respects each other's abilities and aptitude, background and culture, religious belief and views, disabilities and property
- Arrives on time at school and for lessons when school is in session
- Gives of their best in work by listening and learning
- Respects the education of others
- Works and plays safely, by looking after those with learning and physical disabilities
- Helps each other and our local community
- Commits to the principle of accepting feedback and seeking to self-direct toward pro-social behaviour

1.2 Policy Statement

Without an orderly atmosphere, effective teaching and learning cannot take place.

Students are encouraged to make the most of every opportunity at **Twyford C of E Trust schools** in order to be the "best that they can be" inspired by the Trust motto 'I have come that you should have life in all its fulness'. The 10:10 ethic underpins all aspects of the behaviour policy with its emphasis on students recognising their capacity to do and be good, the importance of recognising weaknesses and errors and self-regulating away from bad choices. The ethic also firmly reminds students and parents that the needs of the community are as important as the needs of the individual.

Good levels of achievement, effort, positive conduct, attendance, punctuality and participation in extracurricular activities will be encouraged, praised and recognized wherever and whenever it is evident.

Twyford Trust's idea of Learning Conduct is designed to ensure that students develop a positive and disciplined way of conducting themselves. Having an internalised self-discipline is the most effective way that students will be safeguarded as they move towards adult life.

The principles and policy statement underpinning the whole School Behaviour Policy apply also to the Sixth Form who are subject to the same provisions of the Behaviour Policy including fixed term suspensions (both internal and external) and permanent exclusion; with the exception that Sixth Formers are allowed mobile phones, personal stereos, iPods etc. in school so long as they do not disrupt teaching / study. In addition to this Behaviour Policy Sixth Form students will be expected to adhere to a separate Sixth Form Code of Behaviour and expectations (see attachments).

Student Expectations

2.1 General behaviour

The behaviour policy has been written to pre-empt any behaviours which undermine the safe and effective functioning of school communities in which a large number of students operate within the specific & limiting constraints of school buildings, timetables and staff time. It is also constructed to help students exercise intelligent self-regulation by giving clarity on rules and routines designed to cultivate pro-social behaviour.

Students are always expected to:

- Comply with the general behaviour expectations (section 2.1), the Classroom Code of Conduct and Core Routines, Learning Habits and abide by the student section of the Home-School agreement.
- Be polite, well-mannered and respectful to all staff and fellow students at all times.
- Follow staff's instruction(s) and respect staff's authority in implementing the behaviour policy.
- Show good behaviour to and from school and in particular in the immediate school environment.
- Wait outside a teaching room or other room e.g. changing room, music practice room, until the class teacher arrives.
- Only consume food and drink in designated areas at break and lunchtimes.
- Move around the buildings and behave in a safe and orderly fashion (e.g. respect one-way systems, do not drop or throw any object from a height onto the floors below).

Students must not:

- Undertake any action covered by the criteria for permanent exclusion as this will lead to permanent exclusion
- Cause offence to others, including the use of foul, discriminatory (incl. racist or sexist) language or inappropriate sexual contact.
- Take any action which affects the health and well-being of others e.g. dangerous behaviour on the school site, bullying, fighting, misuse of internet sites and/or other social media and/or AI.
- Take property from other students, including from students' clothes, lockers or bags. Theft of property belonging to the school, staff or other students will not be tolerated.
- Use vapes, cigarettes or alcohol, or any other harmful or forbidden substance on the way to, from and whilst on the school premises or a school trip. Failure to observe this restriction may lead to a fixed term suspension (and, in the case of products containing illegal drugs, permanent exclusion).
- Bring the school's name into disrepute, including through online activity.
- Threaten or use physical violence to a student or adult.
- Bully another student; bullying of any sort will not be tolerated (verbal, physical, emotional or cyber).
- Deliberately damage school equipment or property or engage in reckless behaviour that leads to school equipment or property being damaged. A charge will be made to the students' parents/carer to cover the cost of repairing any damage, and a student may be asked to repair the damage where possible.
- Chew gum, have gum on their person or drop litter on the school premises.
- Deface or graffiti any school property.
- Be defiant when given a warning, redirection, correction or sanction by a member of staff.
- Leave a classroom or use facilities such as the lift without permission and a note from a teacher.
- Seek medical attention without permission from the teacher of their current lesson.
- Enter a teaching area or other area closed to students, e.g. changing rooms, during lunch or break times without permission.
- Bring into school high energy, caffeine or sugar drinks. These will be confiscated.
- Wear make-up or bring make-up onto the school site. Students will be required to remove any make-up they are wearing.
- Wear jewellery other than that allowed by the uniform policy. Any such jewellery will be confiscated for the term.
- Interfere with any school equipment (including fire alarms).
- Leave the school site during the school day without permission, except for Sixth Formers.
- Bring any items into school which are not directly connected to their lessons and/or that could cause harm to other students e.g. airpods, spray deodorant.
- Get involved in any sort of buying and selling between students.
- Truant lessons, tutor times, assemblies or any other part of the compulsory school day.
- Bring scooters, e-bikes or e-scooters onto the school site (will be confiscated if seen on the school site.)
- Cheat, seek to cheat or facilitate others to cheat in exams / assessments / coursework (including the use of AI).

The school reserves the right to involve the police in cases where students' actions would be considered illegal if they happened outside the school.

The school will always permanently exclude a pupil for the following:

- a) Having an offensive weapon in school**
- b) Possession of any illegal drugs (*) in any form (**) in school**
- c) Supply or intent to supply illegal drugs (*) in any form (**) in or out of school**
- d) Assaulting a member of staff**

Other serious incidents (including assault of another student) may result in permanent exclusion or a fixed term suspension up to 45 days.

Permanent exclusion is a last resort for Twyford Trust schools, and all steps will be taken to avoid it. However persistent failure to comply with the school's Behaviour Policy may also lead to a permanent exclusion.

(*) The School will always use the most up to date list of illegal drugs as provided on the Government [services information website](#)

() for example, illegal drugs contained in food products or devices such as vapes do fall under the purview of this section of the policy**

Off-Site Direction and Managed Moves

To support a student with their behaviour or in response to a serious breach of the school's behaviour policy, a temporary or permanent move to another school or alternative provision can be considered by headteachers. DFE guidance describes two possible categories of move:

1. Off-site direction:

An off-site direction is a time-limited placement at an alternative provision or another mainstream school (referred to as the receiving school), intended to improve a student's behaviour. A proposed maximum period of time should be discussed and agreed upon as part of the planning phase for an off-site direction.

Parents (and the local authority, where the pupil has an EHC Plan) must be given clear information about the placement: why, when, where, and how it will be reviewed. Where a pupil has an EHC Plan, the LA (SEND rep) will be invited to the review meetings (as per Section 42 of the exclusions guidance August 2024).

Students remain on their home-school's roll, and are dual registered during the placement. A clear support package will be in place for when the student starts at the receiving school. Regular review meetings will take place during the placement, involving staff from both the home school and the receiving school, to monitor the student's progress. Reviews will be frequent enough to provide assurance that the off-site education is achieving its objectives, and that the pupil is benefitting from it. These reviews should be recorded in writing.

Following an off-site direction, the student may return to the home school or the decision may be taken that it would be in the interests of the student to remain at the receiving school permanently.

In case of the latter, a Managed Move would be proposed (see section 2 below).

In the case of the former, the student will be provided with reintegration support to ensure a smooth transition back to their home school. The strategy for reintegration support will be clearly communicated at a reintegration meeting involving the pupil, parents and other relevant parties. To ensure ongoing progress, the strategy will be regularly reviewed and adapted where necessary throughout the reintegration process in collaboration with the pupil, parents, and other relevant parties.

2. Managed moves:

A Managed Move is a permanent move to another mainstream school, in some cases but not always, following an off-site direction placement at that school. Managed moves should be voluntary and agreed with all parties involved, including the parents and the admission authority of the receiving school. The managed move will be preceded by information sharing between the original school and the receiving school, including data on prior and current attainment, academic potential and pastoral needs, and an integration package will be provided by the receiving school in consultation with all relevant parties.

Schools in the Twyford Trust normally conduct off-site direction placements and managed moves between the Trust schools rather than other schools as the strong communication between pastoral staff and the commonality of the pastoral curriculum and approach gives these a maximum chance of success. Conducting off-site direction between the schools also provides a context for honest and clear communication over the needs of a particular student and therefore a greater likelihood of success.

We would always want an off-site direction or managed move to be successful and expect that the process for these and the opportunity for a student to 'reset' themselves with a new staff and student community enables them to reconsider their actions and behaviour, in some circumstances as part of efforts to avoid possible permanent exclusion.

Off-site direction and /or managed moves are not always an appropriate measure; decisions regarding whether an off-site direction and/or managed move will be offered always remain at the discretion of the school. A more detailed protocol for off-site direction and managed moves is included in Attachment 09.

2.2 Rewards and Sanctions

Our policy consciously uses both positive rewards and sanctions to help all students and all staff recognise and direct towards behavioural choices which are good for both the individual and the community. Strong positive re-enforcement is used routinely in tutor times, classrooms and assemblies in order to provide extrinsic motivation towards positive conduct. A system of appropriate warnings (informal and formal, verbal and non-verbal) are also used to pre-empt and steer students away from negative behaviour. There is a clear and consistently enforced expectation that students engage with these systems in order to navigate away from negative choices.

Praise

All students are motivated to learn by praise, reward and celebration of achievement. Students should always be commended for good behaviour. Staff will recognise students' special achievements and share such information with other colleagues. Students will be awarded positive conduct points when they demonstrate high levels of engagement with their learning. These are recorded by teachers on the school's SIMS system. Praise must be given for progress, not just high-quality work. It must be possible for all students to receive the same level of positive feedback regardless of their academic development.

Pupils might be rewarded via:

- Positive conduct points.
- Certificates and postcards or letters home.
- Verbal praise/comments in Year Assembly.
- Features in the school newsletter or magazine.
- Comment in student planners, postcards home, certificates of achievement.
- Displays of their work.
- A prize at Celebration of Achievement, Junior or Senior Awards evenings, End of Term Celebration Assemblies, where progress is rewarded as well as achievement.
- Termly year group prizes or tutor group prizes.

Sanctions

Failure to comply with the general behaviour expectations (section 2.1 above), the Classroom Code of Conduct or the Student section of the Home-School agreement will lead to warnings and sanctions being applied. These could be:

- Non-verbal cues to adjust back to appropriate routines / expectations
- Verbal warnings
- Negative conduct point(s) being given
- Moved seating in classroom
- Being sent to shadow timetable teacher / removal from classroom
- Detention (student notified in pm registration, parent contacted by email)*
- Being placed on a monitoring card (support card)
- Reduced break or lunch period
- Temporary removal from circulation
- Withdrawal of school privileges e.g. school trips
- Fixed term suspension (internal or external)
- Permanent exclusion

Incidents and sanctions will be recorded on the school's conduct data base.

*Daily detentions are given on the day the incident occurs and parents are notified by email on the day. MLT/SLT detentions are on a designated day of the week, which is not necessarily the day of the incident. Parents will be notified in advance via email.

In addition, subject to the Behaviour Policy, the school may impose a sanction i.e. fixed term suspension or Permanent Exclusion for the following:

1. Misbehaviour when the pupil is taking part in any school-organised or school-related activity including where they are:
 - Travelling to or from school
 - Wearing school uniform
 - In some way identifiable as a pupil at the school
2. Misbehaviour at any time, whether or not the conditions above apply, that:
 - Could have repercussions for the orderly running of the school
 - Poses a threat to another pupil or member of the public
 - Could adversely affect the reputation of the school
3. Serious misuse of social media and/or AI that seriously affects the health and well-being of a member of the school community or brings the schools name into disrepute
4. Sexual assault, sexual harassment* and / or sexually inappropriate behaviour and/or language (see section 2.7 for further information)
5. Making, possessing and/or showing/posting/sending to another pupil a sexually explicit image, including a sexually explicit image of themselves (see section 2.6 for further information)

* *defined as the creation of a hostile or uncomfortable environment through sexualized behaviours or comments.*

Pastoral Intervention Stages

To allow students, parents and teaching staff to tell how well a student is engaging with the schools' learning & behaviour expectations, the Trust uses a set of Pastoral Intervention Stages with linked indicators, interventions, and diagnostics (see Attachments 11 & 12). The stages are designed to help students notice when their behaviour is outside the accepted levels and taking them in a direction which is negative for them and for the community. All students are expected to work with pastoral teams to try and move their behaviour down from higher pastoral stages to lower ones and staff time / intervention resources focus on this

The aim is that each student stays at Pastoral stages below or at stage 1, with their class teachers and form tutor supporting them. A small percentage of students (less than 10%) may require greater support or intervention from more senior staff.

Students who reach stages 2 or 3 will be monitored by their Head of Year or Head of Key Stage.

A very small minority of students reach stages 4 or 5; if this happens it means that poor learning habits and behaviour choices are putting them at risk of a fixed term suspension or even permanent exclusion (see persistent poor behaviour reference on page 6 of this policy). At stages 4 & 5, the Deputy Headteacher or the Associate Headteacher/Headteacher monitors the student. The first indicator that a student has reached stage 4 is if they reach 50 negatives in a half term. If this happens, the student will automatically receive an internal suspension. Following the internal suspension parents will be contacted to discuss their child's progress, so that positive steps can be taken to support their child and so they can avoid further sanctions.

Threshold System Per Half Term		
Negative Conduct Points	Pastoral Intervention Stage	On Report to
10 to 20	Stage 1	Form Tutor Monitor card
20 to 35	Stage 2	Assistant Head of Year or Head of Year
35 to 50	Stage 3	Head of Key Stage
50 to 75	Stage 4 * this is likely to trigger an internal suspension for persistent disruption	Deputy Head teacher
75+	Stage 5 * this is likely to trigger an external suspension for persistent disruption	Head teacher or Pastoral Deputy Head teacher (reaching this stage indicates that the student may be at risk of permanent exclusion)

It should be noted that there is a formal appeal process which applies to the most serious sanctions (internal and external suspension and permanent exclusion). There is no right to appeal over the award of conduct points.

The Requirement to Self-Reflect

The 10:10 Ethic captures the importance of an individual knowing and appreciating their own strengths and also recognising their own weaknesses. The habit of self-reflection is integral to the proactive use of the behaviour policy by students – so that they learn to exercise effective self-direction and self-control.

Examples of how the school builds the habit of self-reflection are:

- Silent reflection in every assembly and morning tutor time
- Reflection time in afternoon tutor time
- Silent thinking time in class
- Self-reflection booklets filled out by students quarterly, looking at their individual conduct points, progress grades achieved and learning habit grades.
- Reflection time on conduct points at the end of each day
- Silent reflection by students on progress with report / support card
- Reflection tasks during detentions or in return from suspension meetings
- Reflective discussions with pastoral support staff

Reasonable Adjustment of Learning Expectations

The school behaviour policy applies to all students.

Where students have a particular SEN need or learning difficulty, it may be necessary to make reasonable adjustment for them, particularly in class or tutor time.

Routine adjustments include:

- Movement within a class seating plan
- Modified resources
- Additional time
- Targeted reward strategies
- Revised teaching strategies
- Support Cards with individual targets

- Individual support from a TA or intervention worker
- Self-Directing strategies identified in an Individual Education plan
- Time-out cards
- Specialist strategies informed by EHC plan

Staff are trained to understand neuro-atypical behaviours and issues such as ‘attachment disorder’. The use of strategies such as these allow the school to make reasonable adjustment to allow the students to be able to operate effectively within the school behaviour rules. This is in line with page 10 of DfE guidance : [DfE guidance on suspension and Exclusions Sept 2023](#)

Records of sanctions imposed for serious misbehaviour

A copy of fixed term suspension and permanent exclusion letters are kept on student records in SIMS, in the student’s school file and in the relevant whole school exclusion file.

2.3 Prohibited and banned items

- Prohibited items are those listed in the [DfE ‘Searching, Screening and Confiscation’](#) advice for schools, head teachers, staff and governing bodies.
- Banned items are additional items that the school chooses to ban.

Searches can be made without consent for any prohibited item and any identified banned item if the school has reasonable grounds for suspecting that a pupil is in possession of one of these items. Staff carrying out these searches would do so in accordance with DfE guidance.

Prohibited Items
Offensive weapons – this includes knives, and anything made or adapted to cause injury, or intended to be used as a weapon
Alcohol
Illegal (controlled) drugs
Stolen items
Tobacco and cigarette papers
Fireworks
Pornographic images
Any item which a member of staff reasonably suspects: <ul style="list-style-type: none"> • has been or, is likely to be, used to commit an offence • has been or, is likely to be, used to cause personal injury to, or damage to the property of, any person (including the pupil) • is evidence of a suspected offence
Banned Items (KS3 & 4 students)
These are all items which the school identifies as ones that may be searched for without consent according to the DfE guidelines.
Aerosols
Any hazardous substances including psychoactive substances
Bottles of correction fluid
Chewing gum
Drug paraphernalia
Electronic devices (other than those agreed with the school for educational purposes). This includes all SMART devices e.g. SMART watches.*
Mobile phones, other than those mentioned in 2.4 of the policy.*
‘AirPods’ or other smart device accessories
Jewellery - clarification of jewellery banned from school: <ul style="list-style-type: none"> • Bracelets, necklaces and rings of any description • Chains and metal key chains, except for medical tags

<ul style="list-style-type: none"> Earrings other than plain gold and silver small studs. One in the lobe of each ear. No other facial studs or rings or face/body piercings are permitted in any circumstances, and must be removed immediately (no allowance will be made for recent piercings that will therefore close over) Expensive watches
Laser pens
Cosmetics items (in addition, note that make up and nail varnish must not be worn in school; any students wearing make-up to school, including false eye lashes and false nails, will be required to remove it immediately or will be removed from circulation)
Matches or lighters, tobacco products and cigarettes (including E-Cigarettes, vapes, any other Nicotine substitute or Shisha pens)

In searching for any banned item marked with an * the school would automatically confiscate the item until the end of the term. Any other banned items found will simply be discarded.

2.4 Mobile Phones (Key Stage 3 & 4 students)

We recognise the importance of safeguarding children from potentially harmful and inappropriate online material, and we understand that technology is a significant component in many safeguarding and wellbeing issues.

To address this, our school aims to:

- Set clear guidelines for the use of mobile phones for the whole school community
- Establish clear mechanisms to identify, intervene in and escalate any incidents or concerns, where appropriate

Parents who wish their child to carry a mobile phone to school should do so only according to the following:

- The phone must not be a smart phone or be capable of taking photos or connecting to the internet (see school website for details of approved models).
- The phone should be clearly marked with the student's name.
- The phone should be switched off before the student enters the school site and placed in their school bag.
- The phone should not be brought out at any point during the school day.
- The phone should only be used before or after school when students are well out of sight of the school entrances.

A school-approved mobile phone remains the responsibility of the student at all times and the school will not take action if it is lost or stolen.

Please note - if a school-approved phone is confiscated due to it being found switched on, seen or heard during the school day or used during the school day, it will not be confiscated for longer than the day, but a parent will be required in order to collect it. However if the phone has previously been confiscated and returned, this will not apply and the phone may be kept for the entire term in line with the procedure for non-school-approved phones;

Searching

There may be occasions where a member of staff is required to search a student's personal belongings, including to look for a mobile phone (this will be done in accordance with the DfE guidance on searching and screening).

- If during a search a 'school approved phone' is found it will not be confiscated provided it does not

- contain any evidence relating to an investigation AND when it is found it is switched off;
- All non-school-approved phones, and in addition any school-approved phones that are not switched off, will automatically be confiscated as part of a search.

Immediate confiscation

- Any phone that is seen or heard during the school day (school issue or otherwise) will automatically be confiscated.
- Any non-school-approved phone which is seen before or after school, within sight of the school entrances will automatically be confiscated.
- Any non-school-approved phone which is being used by students on their way to / from school seen by a member of staff on after / before school duty will automatically be confiscated.

Parents will be notified their child's phone is confiscated in school and given details of when it can be collected.

Confiscation period

When a phone is confiscated, it will not be returned until the end of the full school term in which it is confiscated. There will be no option for the SIM card to be removed – it will be confiscated and kept along with the phone.

Mobile Phones (Key Stage 5 students)

Sixth Form Students are allowed mobile phones in school if students are discreet in using them. Students should not be using their mobile phones as they walk around the school site.

As part of a school investigation into an incident there may be occasions when a member of staff requires a Sixth Form student to hand over their mobile phone. Students in the Sixth Form are expected to do this and cooperate as they would in Key Stage 3 or 4.

In these situations, the phone will be held until the incident is fully investigated and resolved.

There may be occasions where a member of staff is required to search a student's possessions to look for a mobile phone (this will be done in accordance with the DfE guidance on searching and screening).

In the event of an incident, searched or confiscated phones will be held if evidence is required.

2.5 Use of the school computer network

See Computer Use Agreement and E-Safety Policy.

2.6 Consensual or non –consensual sharing of nudes or semi nudes (sexting)

Sexting and the Law

- It is an offence to possess, take, make, distribute or show anyone an indecent or abuse image of a child or young person **under 18** years of age. Note that whilst the age of consent is 16, the relevant age in relation to indecent images is 18
- A child under the age of 18 commits an offence by making and possessing a sexually explicit image of themselves.

- A child commits a further offence if they distribute the image
- A person receiving the image is also liable for an offence of possessing the image. Under no circumstances should you save the image, show it or send it to another person

School behaviour expectations

The general school behaviour expectations already states that

- Students should not take any action which affects the health and wellbeing of others e.g. dangerous behaviour on the school site, bullying, fighting, misuse of internet sites/use of inappropriate internet sites or other social media

Any student who shows inappropriate images or sends/posts inappropriate images, including inappropriate images wholly or partly generated using AI, of one student to another would automatically receive a serious sanction by breaking the above rule.

The school also takes very seriously the offence that a student commits when they take and share an inappropriate image of themselves as they are acting illegally and potentially affecting their own future well-being

When an incident involving nudes and semi-nudes comes to the attention of any member of staff

- The incident will be referred to the DSL (or equivalent) as soon as possible
- The DSL (or equivalent) will hold an initial review meeting with appropriate staff. This may include the staff member(s) who heard the disclosure and the safeguarding or leadership team who deal with safeguarding concerns
- There may be subsequent interviews with the children or young people involved (if appropriate)
- Parents and carers will be informed and involved in the process in order to best support the child or young person unless there is good reason to believe that involving them would put the child or young person at risk of harm
- A referral will be made to children's social care and/or the police immediately if there is a concern that a child or young person has been harmed or is at risk of immediate harm at any point in the process

(taken from UK council for internet safety –updated Dec 2020)

Any student who is found to have made, possessed or sent a sexually explicit image of themselves is acting illegally and would automatically expect to receive a sanction in line with the seriousness of the incident.

2.7 Child on child abuse

We recognise that children are capable of abusing their peers. Abuse will never be tolerated or passed off as “banter”, “just having a laugh” or “part of growing up”, as this can lead to a culture of unacceptable behaviours and an unsafe environment for pupils.

We also recognise the gendered nature of child-on-child abuse. However, all child-on-child abuse is unacceptable and will be taken seriously.

Cases of pupils hurting other pupils will be dealt with under this behaviour policy, however the child protection and safeguarding team will be alerted and involved in any allegation that raises safeguarding concerns. This might include where the alleged behaviour:

- Is serious, and potentially a criminal offence
- Could put pupils in the school at risk

- Is violent
- Involves pupils being forced to use drugs or alcohol
- Involves sexual exploitation, sexual abuse or sexual harassment, such as indecent exposure, sexual assault, upskirting or sexually inappropriate pictures or videos (including the sharing of nudes and semi-nudes)

2.8 Responsibilities of Parents

Close working with parents is essential to ensure students make optimal use of their time in school.

Parents are kept involved & informed about behaviour expectations by the following:

- The behaviour policy is reviewed annually by Governors (including those elected by parents)
- The policy is available on the school website
- Changes to the policy are explained in information sessions at the start of the academic year.
- Regular emails detailing weekly positive and negative conduct points
- Emails and face to face meetings where behavioural issues are flagged as a concern.

Parents are requested to support the behaviour policy by:

- Working with the school staff to understand behavioural expectations and reflect honestly on any issue of misconduct
- Ensuring the school is informed of any external circumstance of need which may be impacting a student's behaviour to pre-empt this having negative impact in school
- Ensuring a student wear appropriate uniform and has learning kit in line with school guidance

The Home-School Agreement gives further detail of how parents are expected to support the behaviour policy

- Get on with your work immediately, in silence
- Remain silent whilst your teacher takes the register
- Be polite, well-mannered and respectful to all staff and fellow pupils
- Always follow instructions without debate
- Listen, be attentive, stay focused
- Never disrupt the learning of others
- Be mindful that there may be 30 of you and 1 teacher; patience is a virtue
- Know when to question things and when not to
- Respect resources – do not damage or graffiti planners, books or any other resources you are given
- Use your planner to record Lesson Prep or Homework

BE RESPONSIBLE FOR YOUR OWN LEARNING BEHAVIOUR:

- Expect to participate in every lesson and be willing to contribute
- Be willing to challenge yourself
- Be independent and try to problem solve before asking the teacher
- Be resilient if you make a mistake – don't give up
- Realise and act upon the importance of memorising information
- Develop your ideas thoughtfully and clearly giving detailed evidence
- Focus on both what and how you are learning
- Take a purposeful approach to your own progress

ENDING YOUR LESSON & TUTOR TIME

- Make sure you have written your Lesson Prep or Homework in your planner
- Stand behind your desks in silence and wait to be dismissed
- Ensure your uniform is still smart before leaving tutor/classroom
- Walk purposefully and silently to the next lesson

TWYFORD C OF E TRUST CONDUCT POINTS

We believe that:

- Good behaviour is beneficial to the community as well as the individual
- Every opportunity must be given for positive conduct to be recognised and rewarded
- Negative conduct must be acknowledged, and there must be a consequence in the form of sanctions, but the focus must be on learning from and turning around any poor behaviour
- Only through consistent usage of the system by all stakeholders can the conduct of our students improve

POSITIVE CONDUCT

Celebrating Success

Students will be recognised for classwork, homework, lesson prep, listening, engagement and representing their House and school. These successes will be celebrated in tutor times, assemblies, school publications and with termly net conduct point certificates.

Whole School Rewards include but are not limited to:

- Positive conduct points
- Lapel badges (Bronze, Silver, Gold)
- Well done cards/postcards
- Certificates
- Star of the lesson/week
- Department rewards
- Celebration assemblies

SCHOOL DETENTION SYSTEMS

Negative Conduct Points are linked to the school's daily detention system as follows:

Twyford CofE High School

- Negative conduct points given according to the table above
- 2 or more negatives in a day result in a 20-minute lunchtime detention (KS3 same day at 3.20pm. KS4 next day at 1.20pm)
- Serious one off incident results in a 90-minute Senior Detention (Friday 3.20-4.50pm)
- Other serious or persistent disruptive behaviour* will result in a fixed term suspension or permanent exclusion as per the guidance above

William Perkin CofE High School

- Negative conduct points given according to the table above
- If students receive 2 or more negatives in one day, same day detention of 40 minutes
- More serious incidents resulting in MLT detention incur a detention of 60 minutes on designated year group day
- More serious incidents resulting in SLT detention incur a detention of 90 minutes on designated year group day
- Other serious or persistent disruptive behaviour* will result in a fixed term suspension or permanent exclusion as per the guidance above

Ealing Fields High School

- Negative conduct points given according to the table above
- 1 Negative conduct point results in 10-minute detention on the same day
- Detentions can last up to 90 minutes after school
- The only exceptions to this are removals from detentions (parents will be contacted and students will instead stay for 90 minutes) and SLT detentions for serious one-off incidents (these will take place on Fridays and will last 90 minutes)
- 4 or more negative incidents in a week result in a 40-minute detention on Thursday of that week (which is added onto any length of time accrued on the day itself)
- Other serious or persistent disruptive behaviour* will result in a fixed term suspension or permanent exclusion as per the guidance above

Ada Lovelace CofE High School

- Negative conduct points given according to the table above
- 1 negative conduct point for each negative behaviour.
- Each negative point results in a 15-minute detention the same day
- Serious one off incident results in a 60-minute Head of Year detention, 90 minute Senior Teacher detention on Friday after school
- Other serious or persistent disruptive behaviour* will result in a fixed term suspension or permanent exclusion as per the guidance above

** Parents/carers of students regularly receiving 10+ negative conduct points in a week will be contacted to inform them that their child is at risk of a fixed term suspension or exclusion for persistent disruption.*

Sixth Form Agreement

All Sixth Form students are expected to read and sign this agreement witnessed by the school.

The agreement is made to encourage students to achieve their full potential.

Sixth Form Code of Behaviour and Expectations

The principles and policy statement underpinning the whole school Behaviour Policy apply also to the Sixth Form who are subject to the same provisions of the Behaviour Policy including suspensions and exclusions; with the exception that Sixth Form students are allowed mobile phones, iPods etc. in school as long as they do not disrupt teaching/study and students adhere to the KS5 mobile phone expectations (see page 9 of the school Behaviour Policy).

As there are a large number of new entrants in the Sixth Form, the following agreement outlines some of the expectations of Sixth Form Students which all members of the Sixth Form are expected to sign.

As a school we promise to provide:

- Initial and continuing guidance about courses to meet your individual needs
- Appropriate teaching, setting and marking of homework
- A system of student monitoring, assessment and assistance to facilitate learning and improve attainment
- Regular reporting and assessment of progress which takes into account your abilities and objectives for the future
- Professional advice, guidance and support for your academic studies, university application or employment
- Facilities and resources for study and the encouragement to acquire sound learning skills and habits
- A genuine concern for the development and welfare for our students. Staff, tutors and the Chaplaincy team are available for advice and the help of outside agencies can be sought when needed. No student should feel they have no one whom they could turn to.

As a student you will adhere to the following:

Code of Behaviour:

- Follow the school Behaviour Policy. Any incident of verbal/physical abuse, aggression, racism, bullying or violent behaviour to any member of the school community is unacceptable and will be treated as a serious misconduct issue in accordance with the school Behaviour Policy.
- Sixth Form students are expected to behave as responsible adults within the school community and be aware that they represent the school community when they are not on site. The school reserves the right to investigate any activity including outside the school day or site which brings the schools name into disrepute.
- Evidence of involvement in serious misconduct may lead to the loss of a student's Sixth Form place.
- If the school investigates an issue involving illegal activity either within or outside school, all information will be routinely passed to the police.
- Agree and follow the school's ICT policy, computer use agreement and e-safety policy.
- Twyford is a non-smoking site and this extends to the local area. Students must not smoke at nearby bus stops or near local businesses.
- Twyford Crescent Park is completely out of bounds.

Progress

- Progress from Year 12 into Year 13 requires you to pass three end of year assessments with grades A-D. If you do not, you will be required to take a resit in order to progress to Y13.
- Abide by the Sixth Form academic review system which would involve having my progress monitored lesson by lesson for an agreed period. Failing such a review could lead to removal from courses and eventually loss of a Sixth Form place.

Attendance

- Have a high rate of attendance with an absolute minimum of absences. To provide notes when there are absences.
- Appointments, driving lessons and holidays are not to be taken during school day/ term time.
- Prompt attendance at all timetabled lessons, assemblies, registration and other school commitments.

Study

- Take a responsible and mature approach to your studies with a commitment to maintain good standards of work and meet course requirements. Students who cause concern will be subject to the Academic Review Process outlined as Point 15.
- Meet assignment, homework and project deadlines
- The systematic use of study time to follow up and consolidate work covered in class. As a guideline, A levels require an hour of independent study for every hour spent in lessons (i.e. 3 or 4 hours per day)

Wider School Role

- Get involved and support school activities such as student leadership, Sixth Form council, Activities week, school trips, work experience, etc.
- Respect the working environment of the school. Respect and support the Christian ethos of the school. Respect all members of the school community.
- Contribute to the Community Service programme offered at Twyford, spending a minimum of 2 hours per week and logging this on your community service passport.

Mobile Phones

Sixth Form students are allowed mobile phones in school if they are discreet. Students should not be using mobile phones as they walk around the school site.

As part of a school investigation into an incident there may be occasions when a member of staff requires a Sixth Form student to hand over their mobile phone.

Students in the Sixth Form are expected to do this and co-operate as they would in Key Stages 3 & 4.

In the event of an incident, searched or confiscated phones will be held if evidence is required.

In these situations the phone will be held until the incident is fully investigated and resolved.

There may be occasions where a member of staff is required to search a student's possession to look for a mobile phone (this will be done in accordance with D of E guidance on searching and screening).

Data Protection

Attachment 9 - Twyford Trust school to school off-site direction and managed move protocols

Attachment 9 - Twyford Trust school to school off-site direction and managed move protocols

Introduction and aims

To support a pupil with their behaviour or in response to a serious breach of the school's behaviour policy, a temporary or permanent move to another school or alternative provision can be considered by headteachers. DfE guidance describes two possible categories of move:

1. Off-site direction: this is a time limited placement at an alternative provision or another mainstream school. Pupils remain on their home-school's roll and are dual registered during the placement. Off-site direction should be used to improve future behaviour and should only be used where in-school interventions and/or outreach have been unsuccessful or are deemed inappropriate. Parental consent is not required in order for a school to direct a pupil off-site under this provision. However, it should be a collaborative process, so far as is reasonably practicable.

2. Managed moves: this is a permanent move to another mainstream school, in some cases, but not always, following an off-site direction placement at that school. Managed moves should be voluntary and agreed with all parties involved, including the parents and the admission authority of the new school.

Both off-site direction placements and managed moves are preventative measures to exclusion, not sanctions. Both must be based on an understanding of the support a child or young person needs in order to improve their behaviour, as well as any SEND or health needs.

Schools in the Twyford Trust normally conduct off-site direction placements and managed moves between the Trust schools rather than other schools as the strong communication between pastoral staff and the commonality of the pastoral curriculum and approach gives these a maximum chance of success. Conducting off-site direction between the schools also provides a context for honest and clear communication over the needs of a particular pupil and therefore a greater likelihood of success.

We would always want an off-site direction or managed move to be successful and expect that the process for these and the opportunity for a pupil to 'reset' themselves with a new staff and pupil community enables them to reconsider their actions and behaviour, in some circumstances as part of efforts to avoid possible permanent exclusion.

Further details are contained with the DfE Statutory Guidance on School suspensions and permanent exclusions and the DfE Guide for Parents on School Behaviour and Exclusion [A guide for parents on school behaviour and exclusion - GOV.UK \(www.gov.uk\)](https://www.gov.uk/government/publications/a-guide-for-parents-on-school-behaviour-and-exclusion) [Suspension and permanent exclusion guidance \(publishing.service.gov.uk\)](https://publishing.service.gov.uk/government/publications/suspension-and-permanent-exclusion-guidance)

DfE guidance recommends that head teachers consider off-site direction and managed moves as two of a number of alternatives in response to a serious breach of the school's behaviour policy, repeated breaches of the school's behaviour policy and/or in response to a safeguarding concern. As such, the DfE suggests that schools have a protocol in place.

Off-site direction and managed moves should only be carried out with the full knowledge of all parties, including the parents and the Local Authority (LA), and in circumstances where it is in the best interest of the pupil concerned and the school community.

This protocol describes two main categories of a time-limited off-site direction placement:

1. A short- or long-term off-site direction placement at a suitable alternative provision or mainstream school to meet the individual needs and circumstances of the pupil. This may be full-time or part-time.
2. A full-time placement for a fixed period of time at school (usually in the Twyford Trust), with the aim of improving behaviour. In some cases, at the end of this fixed period it will be appropriate to consider whether the school is a suitable placement for a permanent managed move.

A proposed maximum period should be discussed and agreed upon as part of the planning phase for an off-site direction. As part of planning, options should be considered once the time limit has been reached. Possible outcomes at the end of an off-site direction placement could be:

1. A permanent full-time managed move to the mainstream school
2. An extension of the off-site direction placement
3. A return full-time to the original school

Within the Trust we would consider pupils for a managed move in one of two categories.

	Likely circumstances	Reason for considering a managed
Category 1	Pupils who have little or no history of significantly disruptive behaviour, but who have committed a serious breach of the behaviour policy*	<p>To give a second chance in a new context as the pupil's behaviour record and/or individual one-off incident indicates they might benefit from a final opportunity in a new context.</p> <p>The circumstances around the serious one-off incident may be complex and mean that suspensions are insufficient for the well-being of the pupil and/or community.</p>

Category 2	<p>Pupils for whom there is a concern relating to safeguarding, which could be either a long-standing concern or a one-off incident, which is judged to pose a risk to the safety of the pupil and/or the community.</p>	<p>To give a fresh start in a new context as the pupil's circumstances, behaviour record or a one-off incident related to safeguarding indicate that they might benefit from an opportunity in a new context.</p> <p>The circumstances around the safeguarding concern may be complex and mean that suspensions are insufficient for the well-being of the pupil and/or community.</p>
------------	--	--

**But whose actions do not necessarily warrant an immediate permanent exclusion.*

Off-site direction and managed moves are never considered for pupils who have met the criteria for permanent exclusion.

Off-site direction and managed moves will not necessarily be offered to every pupil at risk of permanent exclusion as it may not be the most appropriate intervention for the pupil, school community or the receiving school, or there may not be a suitable alternative placement available.

Off-site direction is under Section 29A of the Education Act 2002 (as accepted by the TAT under general powers).

Decision-making process for off-site direction and managed moves

- The Deputy Headteacher consults with the Headteacher/Associate Headteacher regarding whether it is appropriate to consider an off-site direction or managed move to another Trust school (or suitable alternative provision).
- The pupil's profile is reviewed, and consideration of any previous off-site placements / managed moves offered or completed is taken into account.
- If the sending school feels it is appropriate to require an off-site direction or propose a managed move, the Headteacher refers to the Trust CEO to discuss with the relevant school teams.
- SLT from the sending and receiving school meet to discuss the arrangements for the off-site direction or managed move. In the case of an off-site direction placement, consideration will be given to the suggested timescale, review process and possible outcomes of an off-site direction placement, including whether a permanent managed move is a possible next step following the off-site direction. In the case of a managed move, consideration will be given to the suggested timescale and integration and support package that will be put in place for the student in the receiving school.
- Members of the schools' SLT meet with the pupil's parents to discuss the fixed-term off-site direction or permanent managed move, including discussion of the process and parameters. Where a pupil has an EHC Plan, the LA (SEND rep) will be invited to the initial meeting and review meetings (as per Section 42 of the exclusions guidance August 2024).

- Following this meeting, confirmation of arrangements will be provided in writing (see letters in appendix)
- In the case of an off-site direction, a risk assessment must be carried out using the LA framework

Rules of engagement for managed moves

Where a permanent managed move is considered and where a managed move is considered to be a possible outcome following an initial off-site direction placement, consideration must be given to the following:

- A managed move process in no way implies a '1 for 1' swap; managed moves must always be in the best interests of the pupil in question and cannot be dependent on or related to the behaviour or outcomes of another pupil.
- No Trust school should take more than one category 1 and one category 2 managed move pupil per year group in any academic year.
- Managed moves would not normally be considered for pupils with an EHCP. The emergency annual review process would name a different provision rather than using the managed move protocol. If a managed move were felt to be an appropriate measure for a pupil with an ECHP, the LA SEND representative would be involved in any discussions about this.
- In cases of SEN K pupils, additional scrutiny of the individual circumstances of the pupil would be required to ensure a managed move is in the best interests of the pupil, and considering the capability of the receiving school to meet the needs of the pupil.

Setting up an off-site direction placement

A meeting must be arranged between the pupil, their parent(s) and relevant staff from each school. Where relevant, other agencies should be invited to the meeting (e.g. a pupil's social worker, CAMHS).

The purpose of the meeting will be to:

- Explain the status of a time-limited off-site direction placement, its timescale, the review process and the possible outcomes at the end of the off-site direction placement.
- Underline the receiving school's expectations in terms of behaviour (see Appendix 2: Sample agreement).
- Detail the targets that the receiving school expects the pupil to meet in order for the placement to be successful. Individual school Pastoral Support Plan (PSP) documents must be prepared and ready for the meeting.
- Detail the support to be put in place for the pupil at the receiving school.
- Agree practical arrangements such as start date, tutor group, timetable, travel arrangements and uniform.
- Agree dates for the fortnightly review meetings.
- Detail the possible expected outcome(s) if the off-site direction placement is successful.

- Detail the outcome if the off-site direction placement is unsuccessful.

Timing of an off-site direction placement

- The timing of an off-site direction placement aiming to improve a pupil's behaviour may vary depending on the individual needs and circumstances of the pupil. However, a typical placement length would be 6 weeks, with the option to extend to 12 weeks upon review. A pupil may be at the alternative placement fulltime or a combination of part-time support in alternative provision and continuing mainstream education in the sending school. In the setup meeting and in any subsequent review meetings, the proposed duration of the placement will be agreed and communicated in writing.
- The off-site direction placement can be extended to 12 weeks with the agreement of the sending and receiving school. This may be done either because the pupil is meeting the new expectations, and it is felt that an extension of the time period will further improve behaviour or because the pupil is struggling to meet the new expectations and it is felt that giving the pupil more time to meet the new expectations would be beneficial.
- There should be no more than 4 weeks between planning an off-site direction placement and the start of the placement.
- Pupils remain on roll at the sending school (Dual Registration – Main) as well as temporarily joining the roll of the receiving school (Dual Registration – Subsidiary) for the duration of the placement.
- Any records, including child protection records, must be transferred to the receiving school as appropriate.

Ending an off-site direction placement early

The receiving school may choose to terminate an off-site direction placement early if the targets set out in the initial meeting between the two schools and parents are not met. There should be one 'warning' meeting if this is a likely outcome.

If the off-site direction is terminated the pupil will leave the roll of the receiving school and return to the sending school.

Parents and the pupil will be given a written warning that the pupil is now at serious risk of permanent exclusion and that any further serious breach or repeated breaches of the behaviour policy risk leading to permanent exclusion as the off-site direction placement has also failed to change their behaviour. The student would go back to a new pastoral support plan (PSP) at the sending school.

Ending an off-site direction placement at the planned date

Possible outcomes at the end of an off-site direction placement could be:

1. A permanent full-time managed move to the mainstream school
2. An extension of the off-site direction placement
3. A return full-time to the original school

Details on the procedure relating to these 3 possible outcomes are as follows:

1. A permanent full-time managed move to the mainstream school

One possible outcome of an off-site direction placement is the consideration of a permanent managed move to the receiving school. If this is the case, a meeting will be arranged between the pupil, their parent(s) and relevant staff from each school. Where relevant, other agencies should be invited to the meeting (e.g. a pupil's social worker, CAMHS). This may be the same meeting as the final review meeting for an off-site direction placement, if it has been discussed with all relevant parties in advance that a permanent managed move is a desirable next step.

The purpose of the meeting should be to:

- Explain the permanent status of a permanent managed move.
- Review the outcomes of the off-site direction placement at the receiving school.
- Detail any support to be put in place for the pupil.
- Agree any remaining practical arrangements such as start date, tutor group, timetable, travel arrangements and uniform.

On the start date of the managed move, the pupil permanently leaves the roll of the sending school and becomes a full-time single-registered member of the receiving school's roll.

2. An extension of the off-site direction placement

The procedure for this would follow steps outlined under 'Timing of an off-site direction placement'. At the final review meeting, it may be decided that a further extension of the off-site direction is necessary. The same procedure regarding review meetings will apply to the extension period.

3. A return full-time to the original school

If, at the end of the off-site direction placement, it is deemed most appropriate for the student to return to their home school, a formal reintegration meeting will be arranged, with all relevant parties invited (pupil, parent(s), representative from both schools). The purpose of the meeting will be to:

- Formally evaluate the successes and areas for further improvement as a result of the placement
- Underline the home school's expectations in terms of behaviour
- Detail the reintegration support that will be provided by the home school on the pupil's return
- Agree practical arrangements such as start date, tutor group, timetable, travel arrangements and uniform
- Make clear the consequences of continued failure to meet expectations at the home school i.e. a high risk of permanent exclusion

Setting up a managed move

A meeting (see Appendix 3) must be arranged between the pupil, their parent(s) and relevant staff from each school. Where relevant, other agencies should be invited to the meeting (e.g. a pupil's social

worker, CAMHS). Whilst a managed move would not usually be considered for pupils with an EHCP, if this is the case then the LA SEND representative will be invited to this meeting.

The purpose of the meeting will be to:

- Explain the purpose of the managed move to ensure parents, the pupil and any other relevant agencies have a clear understanding of the reason for the managed move, the desired outcome, the procedure and the practical details.
- Underline the receiving school's expectations in terms of behaviour
- Detail the targets that the receiving school expects the pupil to meet in order for the managed move to be successful.
- Detail the support to be put in place for the pupil at the receiving school.
- Agree practical arrangements such as start date, tutor group, timetable, travel arrangements and uniform.

On the start date of the managed move, the pupil permanently leaves the roll of the sending school and becomes a full-time single-registered member of the receiving school's roll.

School to School Off-Site Direction Placement Confirmation

Dear **Name of parent/carers**

Following the recent meeting(s) we have had, I am able to confirm that arrangements have been made for **pupil name** to have an off-site direction placement at **receiving school**.

As discussed, the purpose of an off-site direction placement is to improve **pupil name's** behaviour. **Pupil name's** behaviour record means they are currently at risk of permanent exclusion; an off-site direction placement is part of our efforts to avoid this.

I can confirm that this is a 6-week off-site direction placement in the first instance and **pupil name** will be dually registered for the duration of the placement (remaining on the roll of **sending school** as well as joining the roll of **receiving school**). During the off-site direction placement, the sending school will mark the pupil as 'dual registration' (D) and the receiving school will register the pupil as present or absent in the usual way.

Possible outcomes at the end of this off-site direction placement are:

1. A permanent full-time managed move to **receiving school**
2. An extension of the off-site direction placement
3. A return full-time to **sending school**

As discussed in the meeting(s), details of the support to be put in place for **pupil name** during the placement are as follows:

Support measure	How will this measure support the pupil to improve their behaviour?

Insert additional rows as required

Review meetings will take place every 2 weeks. The placement may be extended to a period of 12 weeks if this is deemed appropriate and in **pupil name's** best interests. If so, review meetings will continue to take place during this extension period.

Off-site direction placement start date	
Date of first review meeting	
Date of second review meeting	
Date of final review meeting	

All parties are reminded that if the off-site direction placement breaks down, for whatever reason, **pupil name** will return to **sending school**. It must be noted that the breakdown of the off-site direction placement would indicate that **pupil name** is at very high risk of permanent exclusion on their return to **sending school**.

Further detail regarding possible outcomes of an off-site direction placement

If the off-site direction placement is successful, it may be deemed appropriate to propose a permanent managed move to the receiving school. If a permanent managed move is offered and accepted, on the agreed date of permanent admission the pupil will be removed from the roll of the sending school and placed on the roll of the receiving school where he/she will enjoy the same rights of tenure to a school place as any other pupil and be subject to the school's behaviour policy in full. If a managed move is not deemed appropriate, the pupil will return full-time to the sending school upon the completion of their placement.

If the off-site direction placement breaks down, for whatever reason, the pupil will return to the sending school. It must be noted that the breakdown of an off-site direction placement would indicate that the pupil is now at very high risk of permanent exclusion.

In the event that a pupil does not fully meet expectations during the off-site direction placement, but not in such a way that the placement is considered to have broken down, the off-site direction placement may be extended; in this instance, an extension to placement document must be written up, with details of continuing support and additional review meeting dates.

If you would like further advice on the off-site direction process, please contact the Principal Officer or the Support Officer – Behaviour Service and Exclusions on 020 8825 5070.

Yours sincerely,

Appendix 2 Template letter – parental permission and arrangements for a managed move

Dear **Name of parent/carers**

Following the recent meetings we have had, I have been in contact with colleagues in **receiving school** and I am - subject to your agreement - able to make arrangements for **pupil name** to have a permanent managed move to **receiving school**.

Once you have had the opportunity to consider the offer, please complete the form below and return it to us to confirm whether you wish to accept the placement at **receiving school**.

If the school does not hear from you by **date**, I will assume you do not wish to consider the managed move.

A managed move is a permanent move of a pupil from one school's roll to another. **Pupil name** will be removed from the roll of **sending school** and will join the roll of **receiving school**.

If you would like further advice on the managed move process, please contact the Principal Officer or the Support Officer – Behaviour Service and Exclusions on 020 8825 5070.

Appendix 3 Template letter – confirmation and arrangements for a managed move

Dear **Name of parent/carer**

Following your confirmation that you have accepted the offer for **pupil name** to have a permanent managed move to **receiving school**, we have met to discuss the following:

- the purpose of the managed move
- **receiving school**'s expectations in terms of behaviour
- the targets that **receiving school** expects **pupil name** to meet in order for the managed move to be successful
- the support to be put in place for the pupil at **receiving school** to aid a positive integration
- practical arrangements such as start date, tutor group, timetable, travel arrangements and uniform.

As discussed in the meeting, details of the support to be put in place for **pupil name** to support with their integration into **receiving school**:
