Assessment of the Impact of a Policy on Equality & Diversity

•	
Policy: Publication Scheme	
Impact assessed by: R Lane	Date: 13/1/2023
What is the potential for this policy impa differently (favourably or unfavourably)	ecting a person or group with a protected characteristic from everyone else?
The Trust could be less forthcoming with protected groups than information benefi	publishing information benefiting people from iting the general population.
2. How would this be evidenced?	
By reviewing the Scheme in light of this po	ossibility.
3. Is there evidence that the operation of with a protected characteristic differently	f the current policy might impact a person or group y from everyone else?
No.	
4. If the answer to 3 is 'Yes', please provi	de details and evidence.
5. How might the new policy change this	?
6. Are there any other changes to the pol characteristic differently from everyone of	licy which might impact a group with a protected else?
No.	
7. If the answer to 6 is 'Yes', please provi	de details and evidence.
8. Policies are required to reduce or elimidiversity. Does this assessment indicate PASS	inate inequality and disadvantage and promote that the Policy passes or fails this test?

BASIS OF CHARGES

In accordance with Freedom of information legislation, the Trust will not charge for the costs of disbursements on photocopying, printing, postage and packing etc for requests which cost less than £450 to fulfil. The Trust may charge for or decline requests which cost more than £450 to fulfil. The cost of providing information is calculated based on a labour charge of £25 per hour plus disbursements. When we receive a freedom of information request we will assess the cost of fulfilling it and notify the requester of the charge. If the charged amount is not received within 3 months then we will assume that the request has been dropped.
