Assessment of the Impact of a Policy on Equality & Diversity

Policy: School Trips Policy	
Impact assessed by: R Lane	Date: 3/3/2025
1. What is the potential for this policy impacting a person or group with a protected characteristic differently (favourably or unfavourably) from everyone else? Students from protected groups, such as disabled students, may have fewer opportunities to take part in trips.	
2. How would this be evidenced? By monitoring participation in trips or engagement with wider learning in general.	
3. Is there evidence that the operation of the current policy might impact a person or group with a protected characteristic differently from everyone else? No. Participation of disabled students is lower but this does not appear to be due to the policy.	
4. If the answer to 3 is 'Yes', please provide details and evidence. 	
5. How might the new policy change this? 	
6. Are there any other changes to the policy which might impact a group with a protected characteristic differently from everyone else? No	
7. If the answer to 6 is 'Yes', please provide details and evidence. 	
8. Policies are required to reduce or eliminate inequality and disadvantage and promote diversity. Does this assessment indicate that the Policy passes or fails this test? PASS	

School Trips Policy

1 Statement of Principle

The Directors, Governors and staff of Twyford Church of England Academies Trust believe that all students should be able to participate in a variety of off-site learning opportunities and residentials whilst at school. The Directors value the contribution made by staff to the residential programme, which is an enriching experience for all.

We believe that every student, whatever their means, should have the opportunity to go on at least one residential visit in Years 7 – 13

Each Trust school will appoint an Education Visits Co-ordinator (EVC) who will be a member of SLT

2 Aims

Off-site and residential visits should meet all or most of the following criteria:

- a. Experiencing a different environment from the urban community in which Twyford Trust schools are set, to encourage self-reliance.
- b. An opportunity for personal development.
- c. An opportunity to learn more about being part of a team.
- d. An experience of living in a community which promotes individual responsibility for personal & group organisation.
- e. A range of opportunities at a variety of costs, with the emphasis on trips which offer “value for money”.
- f. Curriculum relevance – whether in outdoor pursuits, PSHE or subject based study.

3 Routines

- a. No residential trips should be organised for September
- b. Before any trip can be authorised, it is essential to follow the planning routine (see Appendix A: School Visits Guidelines.)
- c. Once the trip has been authorised the trip leader should complete the compulsory forms for the trip (SV1, SV2 & SV4)
- d. Once the compulsory forms have been received by the member of SLT in charge of the trip the Associate Headteacher (or EVC) will sign the SV1 part 2 form (confirmation for the trip to proceed)
- e. It is the SLT (informed by the EVC) who decide when “new” trips might take place in the school year. Residential trips must also be agreed by the Governors student committee in the June meeting of the previous academic year. It is suggested that expensive trips might well operate every two years. On rare occasions an additional residential trip may not have been foreseen in the previous academic year (eg. qualification for the final rounds of a sporting competition). On these occasions, the Headteacher or EVC should contact the Governors Clerk's team in advance to seek Chair's action to approve this trip. The Headteacher or EVC will then add this to the schedule, and it will be reported to the next Governors Student Committee.
- f. If there are any major changes to the advertised itinerary (e.g. significant flight delays etc.) then the party leader MUST contact the school or EVC or a named senior member of staff to advise of the enforced changes at the earliest possible opportunity
- g. Staff are reminded that venues for residential trips in the UK e.g. outdoor activity centres must be vetted prior to booking and, before any residential trips depart, the students and parents must be fully

briefed about expectations. Details about the residential must be given in writing to both parents and the Headteacher. These details should be appropriate to the students' age. Students must also sign a behaviour contract; if the behaviour contract has not been completed, staff may refuse to take the student on the trip.

4 Additional considerations

- a. Students who have reached Pastoral Stages at any point 4 or 5 at any point during the academic year are not permitted to attend residential trips that academic year, including trips they have already paid for (see guidance below on this circumstance). Staff organising a trip should check the proposed student list with Heads of Year as students / parents sign up and monitor this in conjunction with Heads of Year throughout the academic year. It is the trip leader's responsibility to monitor this in conjunction with the HOY as students signed up to a trip may reach pastoral stage 4-5 in a subsequent half term and therefore need to be removed from the trip.
- b. Staff organising a trip, be it a residential, a day trip or a visit, must hold a complete list of medical requirements for students attending the trip. It is the trip leader's responsibility to verify that all students attending have their medication e.g. Epipen, asthma inhaler. However, it is the student/parent/carer's responsibility to ensure students have their medication with them, as per the information held by the school, which should be formally updated by parents following the correct school procedures if there is a change in required medication. If a student does not have the medication they are required to carry as per the school's medical records, they will not be allowed to attend the trip. It will not be possible to delay the departure of a trip so that parents can bring in forgotten medication – students without the required medication when it is checked will not be able to attend the trip.
- c. For any trips taking students abroad, there are a number of additional requirements relating to border control, parental permissions and passport requirements:

Consent (when travelling anywhere outside the UK)

You must get the permission of all parties with parental responsibility for a child, or from a court, before taking the child abroad. A letter from the person/the people with parental responsibility for the child is usually enough to show you've got permission to take them abroad. Staff might be asked for the letter at a UK or foreign border, or if there's a dispute about taking a child abroad.

Where a 'Child Arrangements Order - Live With', is in place, and another party is named e.g. an Aunt, Uncle or Grandparent stating that the child may live with them, they too will hold Parental Responsibility in addition to any person named on the birth certificate. This therefore means that all parties who hold Parental Responsibility must be consulted, and their consent obtained before a child should be removed from the jurisdiction of England and Wales.

For those children who are in the care of the Local Authority, if there is a Care Order in place, then it is likely that the Local Authority will also hold Parental Responsibility for the child and must therefore give consent.

Obtaining consent from all parties who hold Parental Responsibility can be straightforward. A simple letter which is signed by them will usually suffice. The letter should include details about the trip.

Obtaining consent before traveling is crucial. Parties often report that it is not when leaving the UK that they face issues, but when they arrive at a different country or when they return to the UK. It is therefore imperative that consent is sought at the outset to avoid any accusation of Child Abduction.

Passports (when travelling to the EU)

Trip leaders must check that every student has their own passport. To be eligible to enter the European Union, Iceland, Liechtenstein, Norway or Switzerland from the United Kingdom, students' and staff members' passports will need to meet the following criteria:

- Valid for at least three months after the day you plan to leave the EU country (it is recommended that the passport actually be valid for at least a further six months.)
- Less than ten years old (even if it has less than six months validity left)

Healthcare (when travelling to the EU)

If students or staff members don't currently have a valid European health insurance card (EHIC), they need to get the new global version – the GHIC.

This is available for free from the NHS website, so students and staff members can access healthcare at the same rate as locals while on the trip. It will not be advisable to travel without this and every single member of the group (students and staff) should ensure that they've arranged this prior to travel.

Packed lunches (when travelling to the EU)

Please note that travellers from the UK are no longer permitted to take goods containing meat or milk into the EU, so staff must ensure any packed lunches taken for the journey do not contain meat or milk.

5 Staffing

Staffing ratios should adhere to those laid down by the LA/ school and ensure appropriate supervision and adherence to Health & Safety regulations

5.1 STAFFING FOR all trips:

- a. Should include the member of staff who has completed the compulsory forms for the trip, usually the trip leader. For field trips that run over two days as separate trips, the person who completed the form may delegate responsibility to run the second day to another experienced member of staff
- b. Should include someone who has the appropriate skills, knowledge and experience needed for the content of the trip
- c. Should aim to reflect the gender balance of the party
- d. Should aim to reflect staffing from the appropriate year/curricular content of the trip
- e. Should try to minimise cover implications where possible

5.2 STAFFING FOR residentials

As above, but also:

- a. Must include at least ONE very experienced/senior member of staff (e.g. HOD/HOY or above)
- b. Must have someone who has a first aid qualification

STAFFING on the Activities week will be organised by the Activities Week Co-ordinator in conjunction with the EVC and trip organiser/or Head of Year.

6 Information for Parents

It shall be the responsibility of the EVC/ Associate head to produce on an annual basis, a list of approved residential for inclusion in The Induction Handbook for new students Year Ahead booklets together with an indication of the costs involved and brief details of the residential.

Appendix A: School Visits Guidelines

Our policy is to encourage a wide range of off-site learning opportunities for students. These always have to be balanced with the need of staff and students for a stable working environment. Current practice is regularly reviewed within departments and years and by SLT.

These guidelines are addressed to anyone intending to organise a school visit. The school visits forms should be completed when you have checked through the guidelines.

Additional guidance about the running of trips can be obtained from the borough representative for residential. Insurance cover for all trips is provided by the trust and details of the policy can be found on the school VLE. A copy of the Trust charging policy is also found on the Trust VLE site.

A: PLANNING A TRIP

1. The Original Idea

- All visits should have a clear connection with the school's stated curricular aims.
- Our policy statement on residential experience sets out our aims for off-site experience.

2. Getting permission to run the trip

- Firstly discuss your idea with your Head of department/ head of year and SLT link.
- Before any trip is organised or publicised to parents/ students you must get permission for the trip from the EVC. They will need to look at the calendar and agree a suitable date with you. Trips that have not been calendared from the start of the academic year may not be granted if the calendar is already busy on the date/dates you have requested
- Permission for residential visits will be needed from the Associate Headteacher and Governors. Residential trips are agreed in June for the following academic year.

3. Timing and notice

- Residential visits should be planned BEFORE the calendar is made for the coming school year. Staff will be asked to complete a proposed residential form at the start of the summer term (Appendix B) which the EVC will present to the governors' student committee. Permission for residential trips for the following year will be given in the second half of the summer term, following the Governors meeting.
- All other visits should be planned with at least 4 weeks' notice
- Periods to avoid: September, any quarterly assessment weeks and the first half of the Summer Term.

4. Booking

- Check your dates and times very carefully indeed.
- For school minibuses, see Site Office/Administration.

5. Which students to take

- DO take everyone you feel confident about.
- DO NOT take anyone who has been banned from trips for residential trips - this will include anyone who has reached Pastoral Stages 4 or 5 at any point during the academic year. This should be checked with Heads of Year.
- As a general rule, ensure that at least one of the staff accompanying the group knows those students well.

6. Payment

- No student should be excluded from a school visit on grounds of cost.
- Pupil premium students are given £100 at the start of each academic year to support payment for non-compulsory activities. They can use this money to help fund a residential or day trip
- Following discussion with the Finance office, ask for a realistic contribution, covering all costs, including a factor for non-payment and for staff costs.
- All payments should be made through ParentPay. Members of staff should NOT collect money for ANY trips.
- If a student has made payments towards a school trip and subsequently is banned as a result of reaching pastoral stages 4 or 5 they cannot assume that monies already spent will automatically be refunded. This will not happen if non-refundable payments towards the trip have already been made.

7. Staffing Ratios

- Day trips within the UK where there is minimal risk e.g. trips to museums, cultural centres -staff: student ratio is 1:15.
- Day trips where there is a degree of risk involved e.g. Activity centres, fun fairs, Sports involving water – staff: student ratio is 1:10
- Overnight trips in the UK and Abroad must have a minimum of two teachers (ideally 1M and 1F) and a staff: student ratio of 1:10.

B: ORGANISING THE TRIP

Before a day trip –complete the following paperwork:

1. SV1 Approval of Educational Visit

- At least 4 weeks before
- Forward to the EVC
- Wait for written permission from the EVC to go ahead via SV1 part 2

2. SV2 Risk Assessment

- For all trips, this form needs to be completed at least 4 weeks before the trip takes place.
- Any generic risk assessment used MUST be adapted to fit the needs of your particular trip
- Please ensure that you have gone through the risk assessment with staff and the students you are taking before the trip takes place

3. SV3 Letter to parents

Examples of model letters to parents are in Appendix E. You must include: -

- Place of visit
- Dates and timing of the trip (particularly when you expect to return to school)
- Dismissal arrangements
- Itinerary for the trip, mode of transport, accompanying staff.
- Special requirements e.g. clothing, food, spending money.

- Reminder that students who are on a trip during school hours should be in full school uniform unless advised otherwise.
- Reminder that only school-approved phones will be allowed on any trip (residential or otherwise) – no SMART devices may be taken on any school trip
- Behavioural expectations

4. External trip form for cover

- Ensure all staff going on trip complete this form (available on the VLE in the Admin/Cover section) at least two weeks in advance of the trip. The form should be countersigned by your line manager so that they are aware that the trip has been given the go-ahead.

5. List of students going

- The list of names should be given to HOY and SLT for agreement as soon as students/parents are signed up to the trip to ensure no students who are banned due to having reached pastoral stage 4/5 or who are a safety risk are taken. It is the trip leader's responsibility to monitor this in conjunction with the HOY as students signed up to a trip may reach pastoral stage 4-5 in a subsequent half term and therefore need to be removed from the trip.

Before a residential you should complete the following paperwork:

a. SV1 Approval of Educational Visit

b. SV2 Risk Assessment

c. SV3 Letter of parental consent must be sought for all trips

d. SV4 residential parent consent must be **completed** for all residential trips (please see above section 4 for additional requirements relating to trips abroad)

e. Behaviour contract

- You may also want students to sign a behaviour contract before the trip (see Appendix H - SV6).

f. List of students going

- List of names should be given to HOY and SLT for agreement and to ensure no students who are a safety risk are taken (SV5)

g. External trip form for cover

- Ensure all staff going on trip complete this form (available on the VLE in the Admin/Cover section) at least two weeks in advance of the trip. The form should be countersigned by your line manager so that they are aware that the trip has been given the go-ahead.

On the day of the trip

- Please ensure that you have a complete list of names of students
- Check all students have the correct medication as per the school's records. Do not take any students who do not have the correct medication with them.
- Allocate groups of students to each member of staff
- Check student names at key points during the trip e.g. before you board a train.
- If travelling by coach staff must be sat at the front, middle and back of the coach to ensure good behaviour and no litter left behind

- Agree clear visible meeting points and agreed meeting times for students if they are to be allowed unsupervised time. Ensure all students have been made aware of the correct actions should they become separated from the group e.g. not getting off the tube at the correct stop.
- Make sure that all parents have been made aware of your return time, particularly if this is after the end of the school day. You should keep reception informed of any changes to these arrangements during the day so that they can alert parents. Please report to reception when you return if it is during school hours.
- For all residential visits you must take with you the parental consent forms in cases of an emergency such as needing to take a student to hospital. For any trip going abroad, it is advisable that this be a paper copy as you may be asked to produce parental consent forms for scrutiny at border control.
- Copies of passports must be handed to administration team with behaviour contracts. Remember that some students will have difficulties with immigration authorities, either in the country being visited or in Britain itself. Please also note the additional requirements relating to passports when travelling to the EU listed above.

Emergency contacts

- You must have the school's number with you on all visits:
 - Twyford 020 8752 0141
 - William Perkin 020 8832 8950
 - Ada Lovelace 020 8832 8950
 - Ealing Fields 020 3711 0022
- You must have the students home numbers with you on all residential visits and on journeys where you will get back at a late hour
- You must have a contact number for a senior member of staff for all residential visits.
- You must have details of the Trusts travel insurance policy and the procedure for making claims. These are available in the Admin/School Visits section of the VLE.

If something goes wrong

- You are in charge and, in consultation with your colleagues, must make what appears to you to be the wisest decision.
- As a general rule, always aim to keep the party together.
- Keep the EVC or any other designated senior member of staff at the school informed.
- Keep/write a written log of what happened.
- Make a full verbal and written report to the head teacher/ senior member of staff as soon as possible.
- Do not speak to the press. Ask them to contact the school for a press release if appropriate.

Terror Attack/Incident			
The threat level in London is currently ‘SEVERE’ meaning a terrorist attack is highly-likely. Whilst this means there is still very little chance of such an event occurring, pupils will still be informed of the level of threat and instructed to take these measures if one were to occur:		<u>Advice from British Red Cross</u> <u>Before a terrorist attack</u> <i>Be vigilant. Terrorist attacks usually happen in public places. Keep a watch for suspicious behaviour, vehicles or packages.</i>	

• Be vigilant to suspicious behaviour and activity in the area • Event is not considered to be of significant risk of terror attack • Run, Hide, Tell - Run (to safety), Hide (be sure to turn phone to silent), Tell (call the police when it is safe to do so).	• <i>If you have any fears or suspicions, tell the police. Move as quickly and calmly as you can.</i> • <i>If there's a fire, stay low to the floor and exit as quickly as possible. Cover your nose and mouth with a wet cloth if you can. Dear Parent/Carer

RE: Trip Name

We are delighted to announce a forthcoming trip to XXXXX on XXXXXX. The total cost of the trip will be £ XXX

Students who are eligible for Free school meals, looked after children or service children are entitled to £100 credit each year, which can be used to pay for school trips).

Trip information

The trip will be run on a first-come-first-served basis but the final decision regarding the students travelling will be made by the Senior Management Team and Head of Year. They will continue to monitor behaviour records, punctuality and effort, in order to ensure that our offer is fair for all students. Students selected will be expected to maintain a high standard of behaviour; failure to do so may put their place in jeopardy (see below).

To secure a place for your child, please pay the non-refundable deposit of £XXX by the deadline of: XXXXX via www.parentpay.com. ***Kindly note that once the trip is full, it will no longer appear on Parentpay.com.***

If you subsequently decide to withdraw your child from the trip please notify me in writing by XXXX. Any parents not notifying withdrawal by this date will be liable for the full cost of the trip.

Please also note that a student who has already reached (or reaches before the trip happens) pastoral stages 4 or 5 in any half term will not be allowed to attend the trip (refunds will only be made on monies not already spent towards the trip e.g. tickets). Pastoral stages are monitored by both the trip leader and Head of Year and unfortunately students who have signed up for a trip will be removed if they do reach pastoral stage 4-5.

Please remember that pupils with medical conditions must be responsible for their own medication throughout the trip. If your child does not have their medication with them when checked before departing, they will not be permitted to go. The trip departure will not be delayed to allow parents to bring any forgotten medication.

Students must only bring school issue phones with them on the trip; SMART devices must not be taken and will be confiscated as per the school behaviour policy if seen.

An information letter, including details of the payment plan, will follow in due course.

Yours sincerely,

Trip Organiser

Appendix H:

SV6 BEHAVIOUR CONTRACT FOR TWYFORD C OF E ACADEMIES TRUST SCHOOL JOURNEY OR RESIDENTIAL

The purpose of this contract is to ensure that students and staff have an enjoyable and rewarding visit. It is important that students are well behaved at all times and are good ambassadors for our school. As such, students are reminded that:

- They should be polite and well-mannered at all times
- They should listen carefully to instructions given to them by staff and carry them out without question
- On the coach, ferry, train or plane they should behave in a sensible and mature manner that respects the safety and property of others, and use seat belts at all times
- Normal school rules as outlined in the behaviour policy apply at all times whilst on a residential or school visit
- Alcohol, cigarettes, drugs, knives or other weapons including any kind of gun (including, without limitation, toy, replica or actual), fire crackers, fireworks or other dangerous or illegal items are **NOT** to be brought on or purchased by students on residential or school visits
- They should obey the rules of any residential centre, or those given by the members of staff in charge, particularly in relation to sleeping, eating and room allocations.
- They should only bring school issue phones with them on the trip, SMART devices should not be taken

We would obviously not expect there to be any problems, but because staff will be “in loco parentis” during the trip, it is important that parents are fully aware of the actions which would be involved should these ever be necessary. These are briefly as follows:-

- Students will be reprimanded by staff and given a verbal warning about their future conduct
- Parents will be contacted and informed of persistent problems of discipline
- Students may be removed from certain trip activities and have any free time removed
- In extreme cases, students may be sent home, with parents being responsible for all the extra costs involved.
- Students who fail to observe this contract may face both an exclusion on their return and a ban on being able to participate in future school visits / residential which is subject to review after two academic years.

Of course, we start from the assumption that all students will be perfectly behaved and that the sanctions listed above will not be required. **However the school would be grateful if you could read this document, discuss it with your son/daughter and sign in agreement below, keeping one copy for your own records and returning the other to the school.**
