

'Specialist Music' Admissions Information for Parents

19 places within the Twyford C.E. High School Music College are made available each year for students applying for a place in Year 7 and with an identified natural aptitude for music. The application process is designed to test a child's natural ability to hear and discriminate differences in:

- Pitch
- Rhythm
- Chords
- Melodies

As such, a child can be awarded a 'Specialist Music' place based on musical aptitude, irrespective of any prior instrumental or vocal tuition.

How to Apply:

1. Complete the Specialist Music Admissions application form which can be picked up at the school or downloaded from the school website (by the music admission date). The completed application form should be returned to Admissions, Twyford CE High School, Twyford Crescent, Acton W3 9PP. Applicants are reminded that they must also complete the Pan London Common Application Form which should be returned to their Local Authority. Please do not enclose any music proficiency certificates as previous musical experience is not relevant to the application process.
2. All applicants will be invited to attend **Round One** on one of the two stated dates.
3. Your child's score will be issued together with news as to whether they have been invited to attend **Round Two** of the process.
4. Your child's Round Two score will then be added to their Round One score and a list of final results, in descending order, will be compiled. Those ranked in places 1-19 will be notified on National Offer Day (early March) that they have been offered a music place (provided they have not received a higher preference offer).
5. Other applicants will be placed on a waiting list, ranked according to their score. If a place becomes available it will be offered to the applicant who is highest on the waiting list. In the case of a tie on score, those students living nearer the school as the crow flies will be given priority.
6. Those not successful in obtaining a place will still be eligible to apply for a Foundation or World Faith place by re-applying using the appropriate Twyford application form.

Students admitted to Twyford C.E. High School under a Specialist Music Place will be expected to:

1. Make an active contribution to the school community through commitment to our extra-curricular rehearsal and performance programme.
2. Make outstanding musical progress across all three disciplines of performing, composing and listening as a result of both the Music College curricular and extra-curricular programme.
3. Learn either a String, Woodwind or Brass instrument (including guitar) as either a first or second study instrument.

The application process is as follows:

Frequently Asked Questions:

Does my child need to be able to play a musical instrument?

*No. Application for places is open to **all** students but, should your child gain a 'Specialist Music' place, they will be expected to learn a String, Woodwind or Brass instrument either individually or in a small group.*

Will my child be expected to sing?

Yes. Round Two of the application process will involve some aural tests which will require your child to sing short phrases in response to the teacher's direction. All 'Specialist Music' students will be expected to sing in one of the three school choirs.

My child has already passed a number of practical exam grades on their musical instrument, will this help my application?

No. The application process takes no account of previous musical experience although this information is always useful to us should they be offered a place.

My child has instrumental lessons outside school, should I continue with these or learn with Twyford Music College?

We are able to offer tuition on Strings, Woodwind, Brass, Drums, Piano, Keyboard, Voice, Guitar (Acoustic, Electric and Classical), Bass Guitar and Theory. It is up to you whether you decide to receive tuition through us or privately and this will be something that will be discussed further at your child's induction interview should they be successful. All children enrolled on a 'Specialist Music' place will be expected to learn either a String, Woodwind or Brass instrument as a first or second study instrument.

My child is involved in lots of musical activities already, what commitment will they need to show to Twyford?

Students enrolled on a 'Specialist Music' place will be expected to commit to a minimum of two to two and a half hours' per week of wider musical learning within the Music College. This will include a Music Scholar Musical Skills session, membership of one of the choirs and at least one other activity.

My child has a Special Educational Need. Will they be given a concession during the application process?

If you feel that the school needs to be informed of any special educational need or disability that may affect the testing process, please let us know so that any necessary arrangements can be made. Your child's current school will need to provide full details of the level of support currently provided during assessments so that we are able to make arrangements as deemed appropriate.
