

Press Release

Twyford School students have celebrated excellent results this year. With a bright and hardworking cohort we are delighted that just under 60% of exams were graded A*A, 84% were A*B and 94% A*C. 80% of students gained at least 1 A grade, 26 students were in an impressive position of gaining A* in all their subjects.

We are very pleased that our students are now well positioned for the next stage of their lives. In a year where the competition for places has inevitably been stronger we are delighted that 10 students gained places at Oxbridge (some pictured below) and 5 students gained entry to medical school.

(Corinna Watts + proud parents: Corina is off to study Linguistics' and Spanish at Oxford)

Associate Headteacher Karen Barrie commented 'staff and students have worked incredibly hard to achieve this level of success and we are truly delighted that their efforts have paid off, particularly in the light of the difficult situation students were placed in this year and last'.

Key facts:

- 37% of students achieved 3 A*A grades
- 69% of students achieved 3A*B
- 80% of students achieved at least one A grade
- 33% achieved AAB or better in two or more facilitating subjects
