Virtual Work Experience
Monday 14th April 2025

Open to Sixth Form Students

This one-day virtual experience is designed to give students valuable exposure to the world of business and accounting. Are you interested in breaking into the world of business and accounting? If so then this work experience is for you! This Easter break, we have teamed up with 5 of the world's biggest accounting and professional services firms to give students an incredible insight to what it's really like working within the industry and becoming a top business professional at a leading international firm.

We have big 4 firm KPMG, BDO, Grant Thornton, S&W and CIMA joining us to run hands on practical workshops with you to show you what it's really like working in the industry and how you could grow your career as a successful accountant, consultant or tax adviser. You will have the opportunity to work on business projects, conduct a profit and loss on a company, work on a consulting project as well as getting the chance to pitch your ideas and work to the professionals across the day.

On top of this we will be setting up dedicated workshop / networking booths so you can have 1-1 conversations with people from these companies to get your questions answered and find out about all the key programmes on offer, deadlines to apply as well as summer work experience opportunities along with graduate and apprenticeship programmes. of professional services, helping them build confidence, develop key skills, and gain an understanding of career opportunities at KPMG.

Whether you are considering an apprenticeship, exploring work experience or simply want to learn more about the industry, this event will provide first-hand insights and career advice to help you take the next step.

of Actuaries

IFOA & APR LLP Imposter Syndrome & Overcoming it 13th May 2025

Open to Year 11 – 13 Students

Thinking about a career in maths but worried it might be out of reach?

*You're not alone! Many people, even those in successful careers, sometimes question whether they truly belong. Maybe you've felt it yourself — like when you're in a top set maths class and worry everyone else understands things faster, or when you've been given a leadership role and think, *"Did they pick the right person?"**

That feeling is called imposter syndrome, and the good news is, it doesn't define your potential.

Join IFOA and APR LLP for a webinar that will give you practical tools to build confidence and embrace opportunities in technical careers. You'll discover how to turn self-doubt into self-belief and see why you absolutely do belong in any career you set your sights on.

Causeway Education
Robotics & AI Webinar
Wednesday 21st May & Tuesday 3rd June

Open to Year 7 – 9 Students

Causeway Education are excited to announce we are collaborating again with The National Robotarium to run our free Robotics and AI secondary project! Last year we welcomed over 300 students to take part in our webinar event, where students heard from expert speakers and interacted with Ameca - the world's most advanced humanoid robot!

But that's not all! Following the webinar, students will be invited to take part in a competition, using their creativity to explore how robotics and AI could tackle a real-world issue.

YR 11 to 13

spectris

SPECTRIS
STEM Work Experience (Virtual)
Monday 14th April 2025

Open to Year 11 – 13 Students

Are you interested in pursuing a career in engineering, science, or anything to do with STEM? Would you like to gain some rare and invaluable work experience with multiple global FTSE companies?

We are excited to announce that on Wednesday, 16th of April from 9am - 3pm, we will be hosting a virtual work experience day with Spectris. Each of the companies Spectris owns specialises in very specific areas of science and engineering and during this work experience day you will get the opportunity to take part in workshops and network with each of their companies.

Participating in an event such as this will not only allow you to learn more about industry, but it will also give you a unique opportunity to gain valuable experience that will be beneficial for adding value to your CV and LinkedIn profile. This will show employers that you are proactive and looking to develop your skillset before entering the workplace!
