ASTRONOMY

Work Experience

OPEN TO
SIXTH FORMERS

SKA Observatory
Astronomy & Engineering
22nd – 24th October 2024

Open to Year 10 – 13 Students

We are a global astronomy observatory with our headquarters at Jodrell Bank in Cheshire, UK, and we're building the two largest radio telescope arrays on Earth, at sites in Australia and South Africa. Our mission brings together a diverse team of scientists, engineers, software specialists, project managers and many others, and you'll meet some of them during this work experience. We'll encourage you to develop your teamwork and creativity skills during activity sessions, give you plenty of opportunities to ask our team questions, and help you to gain a better understanding of the range of careers available.
