COMPUTING & TECH

Sixth Form Insight Day

OPEN TO
Year 11

ADA: Computing Sixth Form
DigiFest
26th June 2024

Open to Year 11 Students

Here at Ada, we want to futureproof your career. So our students take one of three curriculum pathways (Pioneer, Innovator or Creator) designed to ensure that they thrive in the modern workplace. Learners take Computer Science BTEC as part of every pathway, which gives them the core skills required to develop their digital future.

DigiFest is a perfect event to explore College dedicated to Digital and Technical skills.

Ordnance Survey

The Ordnance Survey
Virtual Work Experience
24th – 26th June 2024

Open to Year 10 – 13 students

An opportunity not to be missed for students looking at opportunities in the geospatial sector. Over a week, you will learn and experience careers and beyond with Ordnance Survey, from data capture to using through to maps in apps. Each day will include talks, interactive tasks and opportunities for you to learn from the experts. On the final day, you will be given practical advice on how to prepare for a career in this sector, and the pathways to these careers. This is the perfect enrichment opportunity for GCSE or A-Level Geography students

Goldsmiths

UNIVERSITY OF LONDON

Goldsmith's University
Summer School

29th July – 9th August 2024

Open to Year Sixth Form Students

The Art Summer School is a joint project between the Department of Art and the Widening Participation team.

The programme prioritises working with college students who are underrepresented in higher education. By taking part you will receive a guaranteed interview for our Fine Art programmes, should you wish to apply to Goldsmiths and meet the minimum entry criteria.

The programme aims to give participants new artistic skills, a better understanding of what it is like to study art at a degree level, build their confidence, and showcase their work with a final celebratory exhibition.

HEALTHCARE

Virtual Work Experience

OPEN TO
YR 11 to 13

Imperial College Healthcare NHS Trust

4-Day Work Experience
Monday 24th June – 27th June 2024.

Open to Year 11 – 13 students

This is a four-day live virtual work experience programme open to all students interested in a career in healthcare.

The first three days (Monday 24th – Wednesday 26th) will focus on medicine and Thursday 27th focuses on other healthcare careers including nursing, midwifery, allied health professions and medical physics.

The virtual live event provides students with:

- *An opportunity to engage in interactive sessions from a wide group of doctors, clinical educators and medical students*
- *A view into the working life of a junior doctor working in the fast paced and complex setting that is the NHS*
- *A chance to consider healthcare career opportunities, ask questions and reflect on clinical case studies*

Virtual Work Experience
Ongoing

Open to Year 10 – 13 students

Crafted in collaboration with Birmingham Universities Hospitals Trust, this thoughtfully curated 6-month medical and 4-month dental programme provides a unique glimpse into the medical and dental fields. The E-learning format enables students to fulfil their placements at their own pace, covering ethics, procedures, broader team roles, and fostering direct dialogues with doctors and dentists. This virtual experience creates a strong foundation for students' future careers, not only enhancing their UCAS applications but also strategically preparing them for practical work experience opportunities.

This programme has supported over 30,000 secondary school students to obtain free work experiences last year.
