## How To Become A... Careers Podcast

Careers Podcast Hosted by Grace Stevens

How To Become A... is a podcast created and hosted by Grace Stevens which give insights into everyday success stories. The podcast seeks to show that you don't have to be rich or famous to be successful; there are so many amazing careers out there that don't get the spotlight they deserve, so How To Become A... is giving them one.

Each episode a different guest comes on to talk about how they got to where they are: from their first steps and the "what am I doing?" moments, to the big decisions and the "what's next?" realisations. So far, there are episodes focused on careers as a DJ, graphic designer, entrepreneur & somatic coach.

A great resource for all students! Click the listen here button or [click here](#) for the Apple podcast link.
