IBM  
Skills Build Portal

Open to All Students

*Skills build is a website by IBM that will boost your employability as you will be completing courses independently on the website to obtain IBM accredited badges. These badges are designed to develop your work readiness and prepare you for the world of work*

*IBM is committed to skill 30 million people by 2030 because they recognise how important this and they want to do this to make people are better equipped for the workplace. We are extremely lucky that The Twyford Trust is the first school in London to be part of this programme with IBM. Through this IBM partnership, you are given the opportunity to build skills that are key for the workplace and by doing so you can earn digital badges to show what you have learnt – all for free*
