The Hair & Beauty Academy Croydon is hosting an open day at the end of October.

Part of the Learning Curve Group, the Hair & Beauty Academy offer various Vocational Training Charitable Trust (VCTC) Level 1-3 courses, including Hairdressing, Barbering, Beauty Therapy, Nail Technology, and Makeup Artistry. The open day will give students the opportunity to meet the tutors, tour the academy and learn more about student life. No booking is required, just turn up!

This would be a great opportunity for any Year 11s currently planning their post-16 options, particularly if you have an interest in hair & beauty. Click the icon to view the academy's prospectus.

xello

Xello
Careers Platform
Open to all students

Xello is an online platform which aims to give students the tools they need to plan their future pathways.

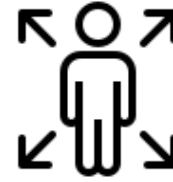

Futures for All is available for all students across every year group. Their website offers students a number of resources, including year-group specific opportunities dashboard, university & apprenticeship search, CV & Portfolio Builder, and much more. The school advertise a number of super curricular opportunities on Xello, including work experience, apprenticeships, insight days, competitions, and external student programmes. Opportunities are updated every week and are advertised on student dashboards under the resources heading.

This is a great resource for any student looking to find some super curricular opportunities or careers tools. Click the icon above to sign-in with your school Microsoft account!

The image shows the Xello platform interface. On the right, a laptop displays a student dashboard for Olivia Murphy, showing sections for 'ABOUT THE STUDENT', 'PERSONALITY STYLE', 'LEARNING STYLE', and 'TOP 10 CAREER MATCHES'. On the left, a desktop view shows a 'Resources' page with a 'To-do list' and a list of external resources including 'Insight2Uni Programme', 'UCL Medicine Mentor Scheme Applications', 'V&A Panel: Insights from South Asian Creatives', 'Black History Month Portrait Contest', 'University of Plymouth: Law Webinar', 'University of Plymouth: AI Webinar', 'University of Plymouth: Climate Crisis Webinar', 'University of Exeter- Virtual Pathways Programme', 'London School of Economics- Pathways to Banking & Finance', and 'London School of Economics- Pathways to Law Programme'.

Degree Apprenticeships

The Sixth Formers' Guide to Degree Apprenticeships 2026

For sixth form students

The Sixth Formers' Guide to Degree Apprenticeships 2026 has been published and is available to read online now.

Degree Apprenticeships are a work-led, debt-free route to a degree and a graduate job. Produced in partnership with the Careers & Enterprise Company, the Department for Education and Future Leaders UK, the guide gives an in-detail oversight into a number of different degree apprenticeships. Employers included in the 2026 guide include: Barclays, IBM, JP Morgan Chase, Slaughter and May, TFL, Unilever and many, many more.

This is a great resource for any students considering undertaking a degree apprenticeship. Click the icon to read the full guide!

**2026
EDITION**

The Sixth Formers' Guide

Degree Apprenticeships

Over 3,500 degree apprenticeships available for students leaving school or sixth form college in the summer of 2026.
