YR 10 to 13

Heathrow Engineering Virtual Work Experience Programme

Open to Years 10-13 *living in specified boroughs*

In this virtual work experience programme, you'll get a behind the scenes look at engineering at Heathrow Airport. This programme looks at the extensive opportunities an engineering career at Heathrow can provide, from rail apprenticeship placements to airside health and safety training. You'll take part in quizzes and thought-provoking activities, we'll also encourage you to do your own research to find out what specialism of engineering is right for you.

The programme is open for students in years 10-13 who live Ealing, Hounslow, Hillingdon, Slough, Bucks, Spelthorne, Runnymede, Elmbridge, Windsor and Maidenhead. We have extended the eligibility criteria to now include students who live in Glasgow.
