A-level Press Release 2026: Twyford CofE High School

A-level grades at Twyford CofE High School have remained outstanding and student progression to their post-18 pathways has been very strong.

An impressive 47% of grades achieved were at A* or A, and this enabled many students to secure places at the most competitive courses at the most prestigious universities in the country. A number of Twyford's top achieving students will be joining leading London institutions, with 10 students taking up places at UCL and a further 7 at Imperial College.

28 students at the school achieved the extraordinary feat of straight (3 or more) A* grades in their A-Level subjects. 50 students achieved 2 A* grades and 1 A grade or higher.
