

Twyford 2026 GCSE Press Release

Twyford's GCSE results have sustained the exceptional progress which have become characteristic of the school over the past 5 years – achieving well over the national benchmarks at every level with even more students hitting the very high academic targets which the school has set for them.

	Grades 9-7	Grades 9-5	Grades 9-4
Twyford	49%	82%	91%
National	22%	56%	67%

60% of students achieved a grade 5 or better in their EBAC subjects. Nine students at the school achieved the exceptional feat of 8 or more grade 9s, with Kayden Tan achieving 11 grade 9s.

Headteacher, Phil Bennett, commented:

'I am so proud and delighted that Twyford has continued to support students to do their very best across all subjects including a wide range of creative and practical options such as Music, Drama, Art and Graphics. It has enabled our students to access a wider range of courses post-16. I would pay particular tribute to our staff team and families, who together have worked incredibly hard to make this possible.'
