

Uniform Requirements

Twyford is a school with high standards. Uniform is a very visible sign of our standards and it is also a very visible sign of your child's standards. If a pupil is not particular about their uniform, they tend not to be particular about other expectations of themselves. We work very hard to make sure everyone is fully aware of our uniform rules. We have included a detailed version of requirements for all students. If we ever change any detail of our uniform we will let you know by means of an email or letter - not through your child. All students in Years 7-11 inclusive must wear the school uniform as stated.

Please note that the following items should only be purchased from one of our five uniform suppliers:

- School Blazer
- School Tie
- School Skirt
- School Trousers (boys and girls)
- School Jumper
- Twyford School Bag with logo (there are two types of bag that the suppliers sell)

All items of school uniform, PE clothing and kit must be clearly marked with names, but not on the manufacturers' label. It is every students' responsibility to look after their PE and not lose it.

School ties can be purchased from Student Services when the school is in session.

Running Trainers

We understand that people have different feet sizes and shapes, therefore need a specific size, brand and shaped shoe. We do however ask that trainers need to be predominantly white, and suitable for running. We ask for white trainers as they are a common and a universal colour and available in many different shoe brands. We ask for running trainers as this style offers a good level of support for a variety of different sports. Please keep receipt on purchase of the trainers if you think they might be in breach of the given guidance.
