OUR REVISED AUTUMN/WINTER '22 MENU

We have listened to the feedback we have received from students, parents and guardians, and you, our partners to revise our menu. Take a look below at the changes we have made.

- We've introduced more 'fast casual' food-on-the-go bringing food service and choices in line with a High Street menu.
- We've included more plant-based choices throughout the week ensuring healthier choices are available everyday.
- We've made 28 new dishes available including 12 new vegetarian dishes, balancing familiarity with new and exciting flavours and tastes.
