Home/School Agreement

By sending your child to The Birkenhead Park School, you are agreeing to our expectations and **Learning Habits.**

The Birkenhead Park School Learning Habits provide a framework to ensure our core values (Positivity, Ambition, Resilience, Thoughtfulness) are embedded within our daily practice. Every student is expected to uphold these values:

	Uniform:	Full school uniform, including black school shoes, is expected to be worn by all students every day.
	Behaviour:	Positive behaviour: We expect students to meet the school's relentless routines which are based on the school's values. This supports a safe and disciplined environment.
	Punctuality & attendance:	The school expectation is that students attend and are punctual 100% of the time.
	Homework:	Students are expected to complete all homework assigned to them each night.
	Equipment:	Students are expected to arrive every day with the correct equipment to support their learning.
	Calm Corridors:	Students are expected to move calmly, safely and quickly between lessons.

In addition to ensuring your child upholds the school's **Learning Habits, you are also agreeing to:**

- Support your child with their academic studies and use class charts to engage with the school.
- Attend parent's evenings and discussions about your child's progress.
- Agree to the school's behaviour policy.
- Encourage your child to participate in extracurricular activities.
- Promptly inform the school of any concerns or problems that may affect your child's learning or behaviour.
- Be responsible for your child's mobile phone pouch, and ensure it is taken to school every day, and their mobile phone locked away for the duration of the school day.

Youth Support Services

Once your child is aged 13 or over, we are required by law to pass on certain information to the provider of youth support services in your area. This is the LA support service for young people aged 13 to 19 in England. We must provide both the name and address of you and your child (including date of birth) and any further information relevant to the support services' role.

However, until your child is aged 16 or older, a parent(s) can ask that no information beyond their name, address and date of birth (and their name and address) be passed on to the youth services provider. This right transfers to your child on their 16th birthday. Please inform Mrs Kirwan, Pastoral Leader, Year 7, if this is what you wish.

For more information about young peoples' services locally please go to the LA website shown above, or the Directgov Young People page at www.direct.gov.uk/en/YoungPeople/index.htm.

Additional Information: Please complete if there is any additional information you feel we should be aware of.

FREE SCHOOL MEALS

Parents are entitled to get free school meals/milk for their children if they receive:

- Income Support, or
- Income-Based Jobseekers Allowance, or
- Guaranteed Pension Credit, or
- Child Tax Credit with a total annual taxable income of less than £16,190 and are NOT receiving Working Tax Credit, or
- Have successfully obtained asylum status, or
- People who claim income related Employment and Support Allowance, or
- Universal Credit.

If you are a foster carer, and receiving a fostering allowance, you are not eligible to claim free school meals for those children you are fostering, from school Year 3 or above.

If you have a change in your circumstances, for example your child changes school or you or your partner stop receiving any of the above listed benefits, please contact the Local Authority by phone or email, freeschoolmeals@wirral.gov.uk or visit a One Stop Shop as soon as possible.

Parents can also contact the call centre to complete a telephone application on 0151 606 2002. An application form is attached, however, they can also be downloaded from the Wirral website www.wirral.gov.uk/my-services/childrens-services/education-and-learning/schools-and-colleges/information-parents-and-carers/free-school-meals

We are asking you, if you are eligible, to complete the Free School Meals form and return it as soon as possible. Even if you do not want to claim this, it is important to us that we have this eligibility recorded on file. The reasons for this are:

- A proportion of funds received each year for the general running of the school come from the number of students we have eligible (not necessarily claiming) free school meals.
- Our ability to subsidise school trips, visits and residentials is based on this information held.
- When our attendance and results data is examined, it is compared with similar schools who have the same number of students eligible for free school meals.

We therefore need your help in ensuring this information is up to date and would appreciate you completing and returning the form as soon as possible.

The Birkenhead Park School

Biometrics September 2025

Like many schools, we use a cashless catering system, which will enable students to buy food and drinks from the canteen simply by placing their thumb onto a scanner which is connected to the payment till.

This system has many advantages - students cannot borrow or take cards from each other, queues are reduced and students no longer need to carry cards or use cash to purchase a meal. Biometric systems save time and money for both schools and students because the need to replace lost cards and forgotten passwords is eliminated.

The technology is completely secure and does not store images of fingerprints on its system. The system uses an image of the finger to create a mathematical algorithm and then discards the finger image; only the numbers remain and these cannot be reinterpreted back into a finger image. The fingerprint images cannot be used by any other source for identification purposes.
