

What's been happening recently:

Some of our students delivered Christmas hampers to the staff and residents of Park House Care Home to wish them a happy Christmas. They were so grateful and wished all our staff and students a merry Christmas!

Thanks to Mr. Sass and his generous idea, we have been collecting toys this month to redistribute throughout the local community. We want to make sure the people of our community feel the Christmas cheer!

Award Week

Year 7, 8, 9, 10, and 11 had the award ceremony this week. Congratulations, students, keep up the great work!

Celebrated perfect attendance with a pizza party!

Congratulations on 100% attendance to forms:

11A6 - won twice!

Our newly refurbished library!

Our students have been enjoying our new library. Allowing them to show their commitment and dedication to literacy!

Author, Julie Lamin, stopped by BPS

Julie Lamin, author of Beyond the Volcano, stopped by to speak to a selection of students who have taken an interest in reading, to speak about her book and give back to her community.

Students were gifted a signed copy of Beyond the Volcano

Thanks Julie!

What we read this school year so far:

Year 7

Year 8

Year 9

Year 10

16 Classics Challenge

Our 16 Classics Challenge is now two years old, and has been a huge success with over 500 completed reads across years 7-11. By popular demand, the challenge has now been extended to our amazing school staff, who have signed up to read some of the greatest works in literature. Let's see who can get the most reads: staff or students!

-David Gore

Student Feature

A photograph of a handwritten poem on lined paper. The title 'A War Poem' is written vertically on the left side in a cursive script. The poem itself is written in a neat, dark ink. At the bottom left, there is a simple drawing of two red poppies. The background of the image is a light, textured surface.

As the cases dropped
Magazines falling to the ground
When his ears finally popped.
Their destination, the Dunkirk mound
The LMG bullets were clocking
The sea was a blood red
and the barbed wire was blocking
Where the men wouldn't be able to put their
children to bed.
Yet they'd not be forgotten
And their humanity would be taken
And their memories not rotten.
While their forsaken,
Lest we forget.
But remember that they saved those we love, not.

Food Tech:

Year 9 students have been making delicious cottage pies in their practical's this week.

Geography:

Year 11 took part in a geographical fieldwork trip to West Kirby and Thurstaston. Students practiced sampling techniques and observed physical geography in action!

PE:

Well done to our Year 7 and 8 netball team, who played against Prenton for the first time! An amazing well done to our goal scorer Hollie! We can't wait to see their progress in 2024!

All students were invited to attend a complimentary educational visit to Chester Zoo as a reward for displaying our BePart values all term!

Year 11 students visited Edge Hill University on a STEM trip. The students received a full campus tour to see what it would be like to study there in the future!
