

January 2023

Dear Parents and Carers,

I am delighted to share with you the Ofsted report and key outcomes following our visit on November 14th and 15th. First and foremost, I want to extend a huge thank you to our students, families, and staff for the tremendous hard work and support you have provided over the past 16 months, contributing significantly to the creation of a school of which we are all genuinely proud.

The inspection team was impressed by what they observed during their visit, and the enclosed information confirms the exceptional progress our school has made. This endorsement further validates our shared mission aimed at improving the life chances of the children of Birkenhead. Our dedicated and committed staff have played a crucial role in this success, and I express my thanks to them.

I also want to extend a huge thank you to each of you for your support throughout our rapid journey of improvement. Through our collaborative efforts, we now have confidence that we can continue to progress and build an outstanding school that serves the community of Birkenhead. Our students, whom we are immensely proud of, have risen to the challenge and continue to work hard in every aspect of school life.

While the positive Ofsted report is a significant achievement, it also marks a pivotal point in our journey. We are not resting on our laurels; instead, we are using this as a springboard to propel BPS to even greater success.

Your continued support is crucial as we strive to maintain and surpass the high standards, we have set for ourselves. Therefore, as we move forward, we will build on these strengths to ensure that each child is supported to achieve their full potential and enjoys their time and experiences with us.

I look forward to continuing to work closely with our governors, staff, students, parents, and carers to achieve our mission.
