

Jurassic Age

Story Starter

The dinosaurs all gave a simultaneous roar. It was coming...

Moments before, the lake had been quiet and peaceful. As the golden sun rose above the shadowy, jagged mountains on the horizon, creatures came from far and wide to enjoy their early morning drink from the tranquil pool. All they could hear was the gentle lapping of water and contented grunts as thirsts were quenched.

Then they had heard them: footsteps in the distance. Thump...Thump...Thump...It could mean only one thing: a T-Rex...
