

**Letter of Thanks from Park High School for Girls Old Girls Association**

**Remembrance Service – 11 November 2016**

On behalf of the Park High School for Girls Old Girls Association, I would like to express our thanks for the invitation to attend the Remembrance Service again this year.

The ladies who were able to attend were very impressed with the procedures and thoroughly enjoyed the experience. We would like to mention the excellent input from the prefects who took part in the delivery of the service and we felt the pupils who attended the service were also a credit to the school.

Thank you once again for including us and we hope you'll be able to offer us another invitation next year.

Kind regards

Hon Secretary
