

March 2020

Dear Parent

Year 7 - 10 Autumn Assessment: Monday 30 March – Friday 03 April

Students in Years 7 to 10 will sit their Autumn assessments during the week beginning Monday 30 March. These assessments will give teachers the opportunity to accurately assess their attainment and progress, and will assist students in preparing more thoroughly for the new-style GCSE examinations they will encounter in future years. As with any assessment, it is essential that your child takes the time to revise in order to achieve their full potential.

Assessment Arrangements

Assessments will take place during normal timetabled lessons and will be no longer than 1 hour, although some subjects may set more than one paper for students to complete over a number of lessons. All students must be punctual for their assessments. The equipment they require (pens, pencils, ruler etc.) should be in their clear pencil case.

Assessment Results

An interim report will be issued to parents following the completion of all assessments.

I would like to wish all Year 7 - 10 students good luck in their assessments. If you have any questions, please contact your child's Year Leader in the first instance.

Yours sincerely

Peter Mee
Deputy Headteacher
