

Trigonometrical Graphs – Sin x

Fill in the table below and draw the graphs:

x	22.5°	45°	67.5°	90	112.5°	135°	157.5°	180°	202.5°	225°	247.5°	270°	292.5°	315°	337.5°	360°
sin x																
2 sin x																
sin 2x																

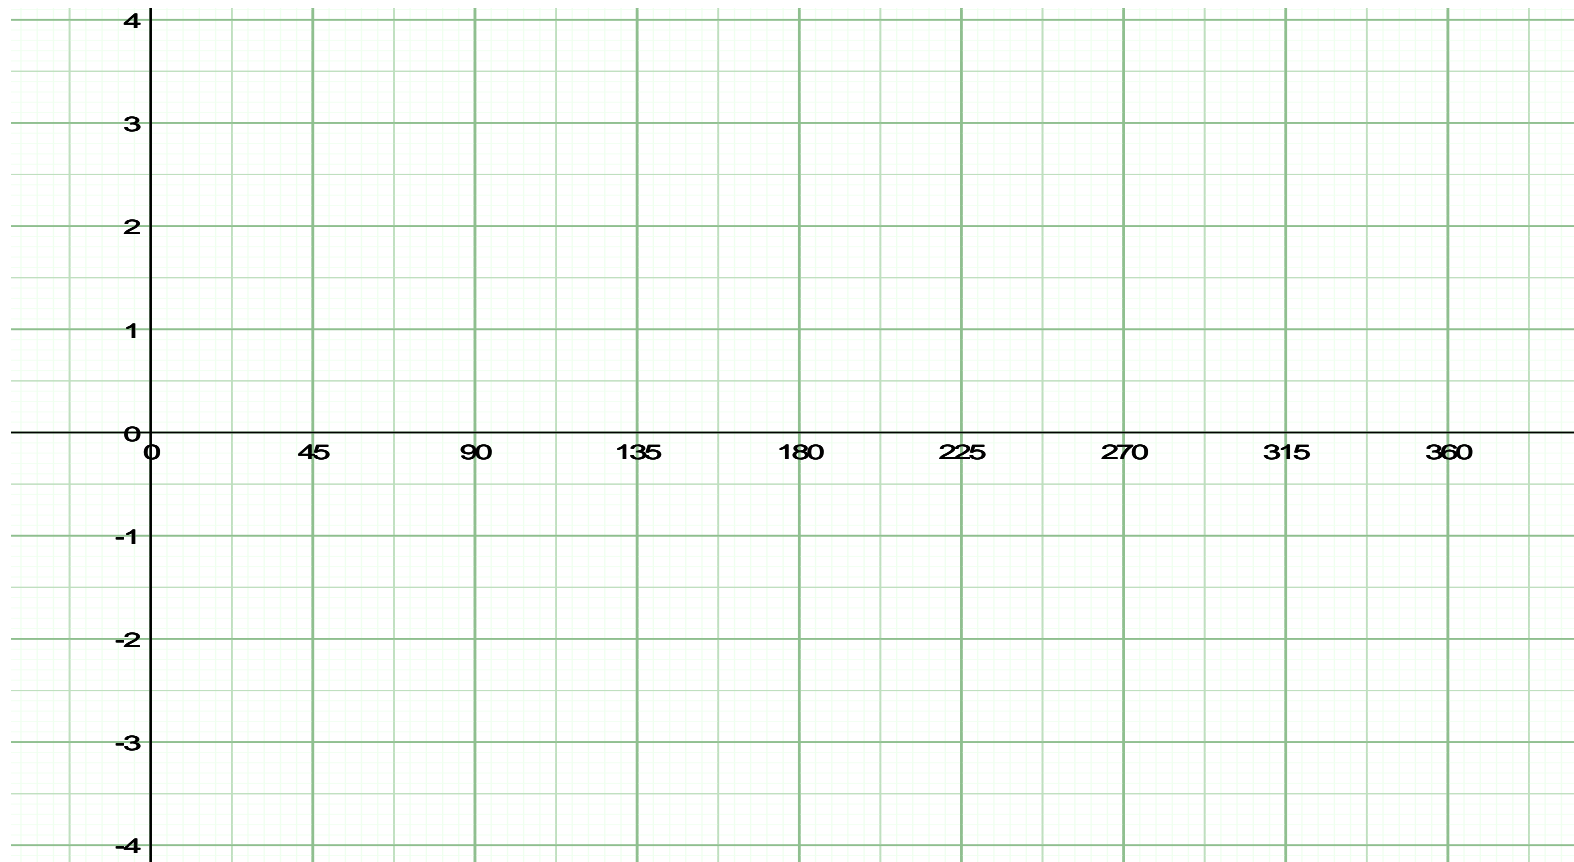

Compare the graphs. Write down what you notice:
