

Trigonometrical Graphs – Tan x

Fill in the table below and draw the graphs:

x	22.5°	45°	67.5°	90	112.5°	135°	157.5°	180°	202.5°	225°	247.5°	270°	292.5°	315°	337.5°	360°
tan x																

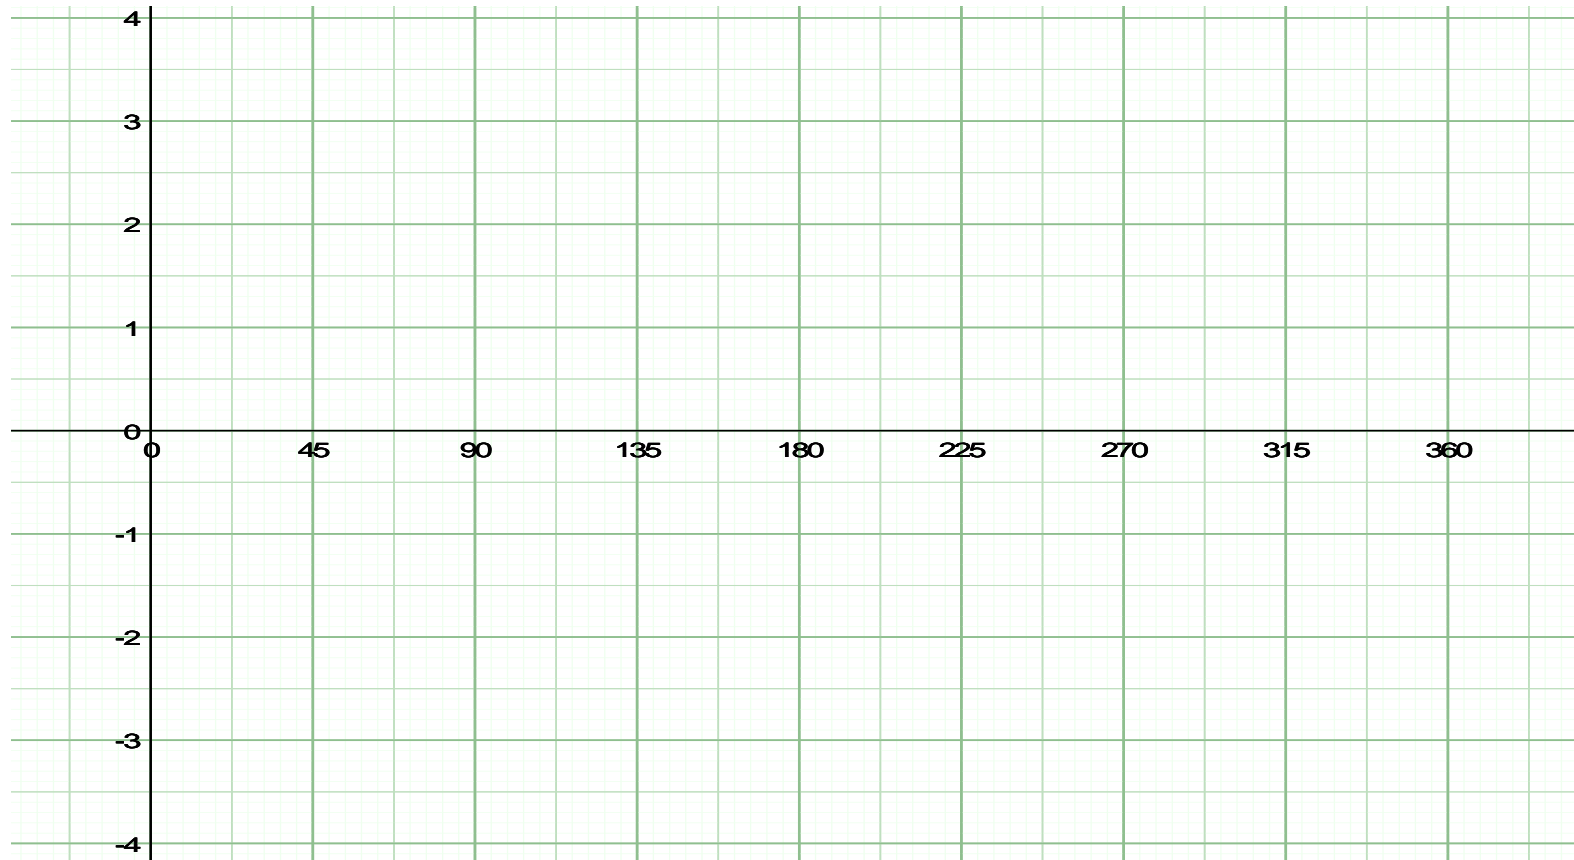

What do you think happens at 90° and 270°?

.....
