

What is Romance?

Watch the video clips and then choose a set of questions to answer below.

Video 1: <http://kidshealth.org/en/teens/love.html>

Video 2: <https://www.youtube.com/watch?v=qajA-uNP4Ng>

Questions

Challenging

1. Give TWO things that people in love never get tired of, according to the woman in the first video.
2. 'Love is when someone sees your flaws and is willing to work around them'. What does the word 'flaws' mean here? Can you think of any other words that mean the same thing?
3. What does the woman in the second video say boys should do to take care of their appearance?
4. What does the woman in the second video say is sometimes more valuable than romance? Do you agree?

More Challenging

1. One of the young people in the first video mentions 'amazing qualities that you would look for in a person'. List THREE qualities that you think are amazing in a person and say why.
2. 'Love is when someone sees your flaws and is willing to work around them'. List FIVE flaws that somebody might have and rank them in order from least serious to most serious.
3. Which of the tips in the second video do you think is most useful and why?

Mega Challenging

1. 'Love is when someone sees your flaws and is willing to work around them'. Is there ever a flaw that is so bad that nobody could work around it? Explain why or why not.
2. Do you think that someone's parents' relationship affects the way that they see romance? Explain why or why not.
3. Do you agree with the woman in the second video that asking someone out is "kind of a man's job"? Explain why or why not.
