## What's been happening this month?

We are very proud to introduce our '100 Club' extra curricular program, full of exciting activities for students to get involved with weekly during lunch breaks and after-school!

Netball enrichment as part of the '100 club'  
Students have enjoyed participating in this and working together as a team!

Rugby and football have been super popular for KS3 boys, with students due to attend a professional rugby union game **Sale Sharks Vs Amphil RUFC** in October!

Our student Lilly became the **North of England Kick boxing Champion** for her age category, defeating her opponent by stoppage in the 4th round!  
Well done Lilly!

Year 9 girls engaging in **self-defense karate** classes fortnightly, to build confidence and team working skills!
