Exam Contingency Plan 2026-27

Centre name	Unity Academy Blackpool
Centre number	46427
Date plan first created	18/10/2023
Current plan approved by	Chris Drew
Current plan reviewed by	Gareth Wright
Date of review	08/09/2026
Date of next review	19/11/2027

Key staff involved in the plan

Role	Name
Head of centre	Chris Drew
Senior leader(s)	Rebecca Lemar
Exams officer	Gareth Wright
SENCo (or equivalent role)	Nicola McGuinness

This plan is reviewed and updated annually to ensure that contingency planning at Unity Academy Blackpool is managed in accordance with current requirements and regulations.

Purpose of the plan

This plan examines potential risks and issues that could cause disruption to the examination/assessment process.

By outlining actions/procedures to be invoked in case of disruption it is intended to mitigate the impact these disruptions have on processes at Unity Academy Blackpool.

Alongside internal processes this plan is informed by the Ofqual **Exam system contingency plan: England, Wales and Northern Ireland** which provides guidance in the publication, 'What schools and colleges and other centres should do if exams or other assessments are seriously disrupted', the **JCQ Joint Contingency Plan** for the Examination System in England, Wales and Northern Ireland and the JCQ document **Preparing for disruption to examinations** (Effective from 1 September 2024).

This plan details how Unity Academy Blackpool complies with the JCQ's **General Regulations for Approved Centres** (5.3 *Centre management*) by having in place for inspection that must be reviewed and updated annually, a written contingency plan which covers all aspects of examination/assessment administration and delivery.

Contingency arrangements

The centre **must** have an up to date written contingency plan.

The contingency plan **must** cover all aspects of examination/assessment administration and delivery. Senior leaders **must** have robust contingency arrangements in place that will minimise the risk to examination/assessment administration and delivery and any adverse impact on candidates.

The plan must cover the following scenarios:

- the head of centre, relevant senior leader(s) with oversight of examination and assessment administration, SENCo (or equivalent role), examinations officer or any other key staff essential to the examination process being absent at a critical stage of the examination cycle
- the potential impact of other events such as flooding which could lead to all or parts of the centre becoming unavailable
- potential issues with the centre's IT systems

As part of the contingency plan the centre **must** identify an alternative site if examinations cannot be conducted at the registered address. Larger centres may require more than one potential alternative site or different sites for different Year Groups.

The centre **must** have at least one senior member of staff (senior designated contact) who is available to manage emergency requests from awarding bodies that are results related during the summer holidays. However, a number of contacts can be provided to reduce the risk of this falling on one individual throughout the summer holidays.

The centre **must** ensure that candidates' work is backed-up and should consider the contingency of candidates' work being backed-up on two separate devices, including one off-site back-up. Appropriate security arrangements must be implemented which protect candidates' work in the event of IT system corruption and cyber-attacks. (GR 3.17-19)

Operating across more than one centre

This does not apply to this centre.

National Centre Number Register and other information requirements

The head of centre will ensure that the centre responds to the National Centre Number Register annual update by the end of October every year which includes providing senior designated contact details (this might include a personal mobile number and/or email address). These must be the contact details of someone who can be reached in an emergency if the centre is closed over the summer and who can mobilise resources to respond to the issue. (GR 5.3)

Head of centre absence at a critical stage of the exam cycle

Where the head of centre may be absent at a critical stage of the examination cycle, main duties and responsibilities will be escalated in accordance with the centre's written escalation process.

Possible causes of disruption to the exam process

1. Exams officer extended absence at a critical stage of the exam cycle

Criteria for implementation of the plan

- exam timetabling, rooming allocation; and invigilation schedules not prepared

- the facilitation of post-results services

Centre actions to mitigate the impact of the disruption listed above

The centre will:

- Centre actions for results and post-results
- Senior Leader i/c exams to contact the Awarding Bodies to discuss alternative options
- Another Exams Officer at another FCAT academy to assist with accessing and disseminating results and post

Criteria for implementation of the plan

Key tasks required in the management and administration of the access arrangements process within the exam cycle not undertaken including:

Planning

The timescales between testing at the start of Year 10 and the final exams at the end of Year 11 provide sufficient time for alternative arrangements to be put in place if required.

Criteria for implementation of the plan

Key tasks not undertaken including:

- Early/estimated entry information not provided to the exams officer on time; resulting in pre-release information not being received

Centre actions to mitigate the impact of the disruption listed above

Invigilator recruitment will be a continuous process to ensure the consistent availability of invigilators. All invigilators are required to attend mandatory training sessions prior to engagement during the exam periods. FCAT has a large bank of invigilators; were Unity Academy Blackpool to fall short on any given day during an Exams Season, the Exams Officer can contact another FCAT school for assistance.

Criteria for implementation of the plan

- Exams officer unable to identify sufficient/appropriate rooms during exams timetable planning
- Insufficient rooms available on peak exam days
- Main exam venues unavailable due to an unexpected incident at exam time

Centre actions to mitigate the impact of the disruption listed above

- IT system corruption affecting candidates' work
- MIS/IT system failure at final entry deadline
- MIS/IT system failure during exams preparation

Other centre actions:

Alternative provision would be made at Blackpool Sixth Form as per the contingency plan.

10. Candidates may not be able to take examinations - centre remains open

Criteria for implementation of the plan

- Candidates may not be able to attend the examination centre to take examinations as normal because of a crisis

The centre will:

- focus on enabling candidates to take their examinations
- take advice, or follow instructions, from relevant local or national agencies in deciding whether the centre is able to open

Criteria for implementation of the plan

- Delay in normal collection arrangements for completed examination scripts/assessment evidence

Centre actions to mitigate the impact of the disruption listed above

The centre will:

- where examinations are part of the national 'yellow label' service or where awarding organisations arrange collections, seek advice from the relevant awarding organisations and will not make its own arrangements for transportation unless told to do so by the awarding organisation

What schools and colleges and other centres should do if exams or other assessments are seriously disrupted

www.gov.uk/government/publications/exam-system-contingency-plan-england-wales-and-northern-ireland/what-schools-and-colleges-should-do-if-exams-or-other-assessments-are-seriously-disrupted

"This document was updated in October 2023 to include Ofqual's final decisions on long-term resilience arrangements, and the Department for Education (DfE)'s guidance for education settings with confirmed reinforced autoclaved aerated concrete (RAAC).

In addition to this guidance, you will need to be aware of your specific responsibilities for local and national school preparations and contingencies. You should also follow advice from relevant public health bodies.

Contingency planning

Awarding organisations are required to establish, maintain and comply with an up-to-date detailed written contingency plan, to mitigate any incident they have identified may occur. This includes having communication plans for external parties ([Ofqual General Condition of Recognition A6](#)). Schools and colleges should also be prepared for possible disruption to exams and assessments and make sure staff are aware of these plans.

Disruption to assessments or exams

In the absence of any instruction from the relevant awarding organisation, you should make sure that any exam or timetabled assessment takes place if it is possible to hold it. This may mean relocating to alternative premises. You should discuss alternative arrangements with your awarding organisation if:

- the exam or assessment cannot take place
- a student misses an exam or loses their assessment due to an emergency, or other event, outside of the student's control

You may also wish to see the [JCQ's notice to centres on exam contingency plans](#) and [JCQ's notice on preparing for disruption to examinations](#) in England, Wales and Northern Ireland for qualifications within its scope.

Steps you should take

Exam planning

Review your contingency plans well in advance of each exam or assessment series. Consider how, if the contingency plan is invoked, you will comply with the awarding organisation's requirements.

Schools, colleges and other exam centres must speak to the relevant awarding organisations as soon as possible if they are expecting any disruption that might affect the sitting of exams and assessments.

In the event of disruption

- Contact the relevant awarding organisation and follow its instructions.
- Take advice, or follow instructions, from relevant local or national agencies in deciding whether your centre is able to open.
- Identify whether the exam or timetabled assessment can be sat at an alternative venue, in agreement with the relevant awarding organisation, ensuring the secure transportation of questions papers or assessment materials to the alternative venue.
- Where accommodation is limited, prioritise students whose progression will be severely delayed if they do not take their exam or timetabled assessment when planned.
- In the event of an evacuation during an examination please refer to JCQ's [Centre emergency evacuation procedure](#)
- Communicate with students, parents and carers any changes to the exam or assessment timetable or to the venue.
- Communicate with any external assessors, invigilators or relevant third parties regarding any changes to the exam or assessment timetable.

After the exam

- Consider whether any students' ability to take the assessment or demonstrate their level of attainment has been materially affected and, if so, apply to the relevant awarding organisation for special consideration.
- Advise students, where appropriate, of the opportunities to take their exam or assessment at a later date.
- Ensure that scripts are stored under secure conditions.
- Return scripts to awarding organisations in line with their instructions. Never make alternative arrangements for the transportation of completed exam scripts, unless told to do so by the awarding organisation.

Steps the awarding organisation should take

Exam planning

- Establish and maintain, and at all times comply with, an up-to-date, written contingency plan.
- Ensure that the arrangements in place with centres and other third parties enable them to deliver and award qualifications in accordance with their conditions of recognition.

In the event of disruption

- Take all reasonable steps to mitigate any adverse effect, in relation to their qualifications, arising from any disruption.
- Provide effective guidance to any of their centres delivering qualifications.
- Ensure that where an assessment must be completed under specified conditions, students are able to complete the assessment under those conditions (other than where any reasonable adjustments or special considerations require alternative conditions).
- Promptly notify the relevant regulators about any event which could have an adverse effect on students, standards or public confidence.
- Coordinate its communications with the relevant regulators where the disruption has an impact on multiple centres or a wide range of learners.

After the exam

Consider any requests for special consideration for affected students; for example, those who may have lost their internally assessed work or whose performance in assessments or exams could have been affected by the disruption.

If any students miss an exam or are disadvantaged by the disruption

If some of the students have been adversely affected by the disruption, you should ask the awarding organisation about applying for special consideration.

Decisions about special consideration, when it is or is not appropriate, is for each awarding organisation to make. Their decisions might be different for different qualifications and for different subjects, depending on their specific policies.

See also [JCQ's guidance on special consideration](#)

Wider communications

The regulators, [Ofqual](#) in England, [Qualifications Wales](#) in Wales and [CCEA Regulation](#) in Northern Ireland, will share timely and accurate information, as required, with awarding organisations, government departments and other stakeholders.

The [DfE in England](#), the [DfE in Northern Ireland](#), and the [Welsh Government](#) will inform the relevant government ministers as soon as it becomes apparent that there will be significant local or national disruption, and ensure that they are kept updated until the matter is resolved.

Awarding organisations will alert the [Universities and Colleges Admissions Service \(UCAS\)](#) and the [Central Applications Office \(CAO\)](#) about any impact of the disruption on their deadlines and liaise regarding student progression to further and higher education.

Awarding organisations will alert relevant professional bodies or employer groups if the impact of disruption particularly affects them.

Widespread national disruption to the taking of examinations or assessments

As education is devolved, in the event of any widespread sustained national disruption to examinations or assessments, national government departments will communicate with regulators, awarding organisations and centres prior to a public announcement. Regulators will provide advice to government departments on implications for examinations and assessments, including exam timetables.

In September 2023, Ofqual and the DfE published [joint consultation decisions on long-term resilience arrangements](#). As in 2023, Ofqual has provided [guidance on collecting evidence of student performance to ensure resilience in the qualifications system](#) for students entering GCSEs, AS and A levels, the Advanced Extension Award and Project qualifications. For VTQs and other qualifications used alongside or instead of GCSEs, AS and A levels, awarding organisations will provide guidance where needed and will contact schools and colleges with more information.

In December 2022, Qualifications Wales published [guidance for contingency assessment arrangements](#) for GCSEs, AS and A levels and Skills Challenge Certificates in the event that a national decision is made to cancel exams. This guidance is still relevant for the current academic year.

The DfE has updated its guidance on [handling strike action in schools](#) in England in light of the industrial action in 2023. The guidance recommends schools should prioritise the running of examinations and assessments on any strike days, and should review their contingency plans to make this happen. Schools, colleges and other exam centres must speak to the relevant awarding organisations if they are expecting any disruption that might affect the sitting of exams and assessments.

The DfE has also issued [guidance for education settings with confirmed reinforced autoclaved aerated concrete \(RAAC\)](#) in their buildings. It includes the need for contingencies for possible disruption to examinations and links to the existing emergency planning guidance.

We will update this page as necessary, with any further relevant links, should national disruption occur.

Contingency planning

"15.1 The qualification regulators, awarding bodies and government departments responsible for education have prepared and agreed information for schools and colleges in the event of examinations being seriously disrupted. This jointly agreed information will ensure consistency of response in the event of major disruption to the examinations system affecting significant numbers of candidates.

Further information may be found at: www.gov.uk/government/publications/exam-system-contingency-plan-england-wales-and-northern-ireland

15.2 In addition, awarding bodies have their own well-established contingency plans in place to respond to disruptions. It is important that exams officers who are facing disruption liaise directly with the relevant awarding body/bodies.

15.3 All centres must have a written examination contingency plan which covers all aspects of examination administration. This will allow members of the senior leadership team to act immediately in the event of an emergency or where the head of centre, examinations officer or SENCo is absent at a critical stage of the examination cycle. The examination contingency plan should reinforce procedures in the event of the centre being unavailable for examinations owing to an unforeseen emergency.

All relevant centre staff must be familiar with the examination contingency plan. Consideration should be given as to how these arrangements will be communicated to candidates, parents and staff should disruption to examinations occur.

15.4 In the event that the head of centre decides the centre cannot be opened for scheduled examinations, the centre's contingency plan must be invoked, utilising the centre's alternative site(s) and the relevant awarding bodies must be informed as soon as possible. Awarding bodies will be able to offer advice regarding the alternative arrangements for conducting examinations that may be available and the options for candidates who have not been able to take scheduled examinations.

15.5 The awarding bodies will designate 'contingency sessions' for examinations, summer 2025. This is consistent with the qualification regulators' document *Exam system contingency plan: England, Wales and Northern Ireland* - www.gov.uk/government/publications/exam-system-contingency-plan-england-wales-and-northern-ireland

15.6 The designation of 'contingency sessions' within the common examination timetable is in the event of national or significant local disruption to examinations. It is part of the awarding bodies' standard contingency planning for examinations.

15.7 In the event that there is national disruption to a day of examinations in summer 2025, the awarding bodies will liaise with the qualification regulators and government departments to agree the most appropriate option for managing the impact. As a last resort the affected examinations will be rescheduled. Although every effort would be taken to keep the impact to a minimum, it is possible that there could be more than one timetable date affected following the disruption, up to and including the last contingency day. Centres will be alerted if it was agreed to reschedule the examinations and the affected candidates will be expected to make themselves available in such circumstances. The decision regarding the re-scheduling of examinations will always rest with the awarding body. The centre must conduct the examination on the scheduled date unless instructed to do otherwise by the awarding body.

15.8 Where candidates choose not to be available for the rescheduled examination(s) for reasons other than those

traditionally covered by special consideration, they will not be eligible for enhanced grading arrangements. Centres **must** therefore ensure candidates and parents are aware of the contingency arrangements so that they may take them into account when making their plans for the summer. However, the awarding bodies will not insist upon candidates being available throughout the entire timetable period as a matter of course."
