

Monday, May 11, 2020

Dear Parents/Carers,

I hope you and your families remain safe and all well. This is our weekly communication to ensure that everyone is kept up to date, this is a much shorter update than normal given that there has been little change in a number of areas since my letter last week.

School Closure arrangements

This letter was prepared on Thursday 7th May and as with everyone, we are expecting a Government announcement over the weekend. We do not know what this will say about schools at this stage. Once we have any information about reopening of schools, we will communicate plans to parents. Please be assured the safety of your children and our staff will be our number one priority at all times and all plans will take into consideration the relevant guidance on social distancing.

Free School Meals

Meals will be available for collection each week; we will confirm collection times during the holiday period in due course.

Work at home

Please continue to submit any requests for work or materials through the form on the website. For older children some work is also provided via Google Classroom. We will not set work for holiday periods or bank holidays.

IT access for certain students

Please be reassured that orders have been placed for IT access in line with Government announcements, none of this equipment has arrived in school for distribution at this stage.

Thank you once again for your support at this time, if you have any queries which are not covered by this letter, drop us an email on generalenquiries@unity.fcat.org.uk and we will respond.

Yours sincerely,

Mr S Cooke
Headteacher
